Will Have Strawberry Festival

Estacada Intends Giving Strawberry Festival Early In June — Committees Are Named And Are Working

Estacada is going to have a strawberry festival with home-grown berries at which an effort will be made to prove what we have all been saying—that we can and do grow the finest flavored strawberry produced anywhere.

The festival is to be conducted by the Commercial Club members who hope to enthruse everyone in and about Estacada and especially the ladies in it. It is thought the berries will be in good shape by the first week of June. A committee from the Club has been appointed to arrange the details. An effort to secure a band for the occasion will be made and an effort to secure special railroad accommodations between here and Portland.

The object of the whole thing is not so much to boost Estacada as it is to simply show what we can do and what our farmers can raise. Let everyone who feels an interest in his home town aid in whatever manner they can and we will have a nice, social and profitable time together.

The general committee of arrangements are J. W. Reed, Dr. Adix, A. E. Sparks, L. E. Belfils and E. S. Womer and the subordinate committees appointed by them follow:

Baseball and dance, A. R. Haskins and B. O. Boswell. Music, L. E. Belfils. Refreshments, Mrs. E. M. Miller, Mrs. A. E. Sparks, Mrs. Ed. Saling, Mrs. L. E. Belfils and Mrs. B. O. Boswell. Purchasing supplies, A. E. Sparks and H. M. James. Finance, W. D. Henthorn, E. S. Womer, and H. M. James. Program, advertising and transportation, H. V. Adix, J. W. Reed and E. W. Bartlett.

It was full of sensational plays, the features being the hitting of Neal Bronson and Kennedy, each getting three hits apiece, and a fine running catch by Lee Bronson. The rest played well especially Brown the catcher.

Berry Prospect Good

The berry season will soon be on in full and as this means increased work each year in this vicinity as the acreage is being increased. The berry growers have just ordered two carloads of boxes to be distributed among them. There will be needed a number of pickers who will find employment at good wages. The crop promises at this time to be a bumper, and it is predicted that we will have ripe berries by the first of next week.

DOGS RECEIVE HONORABLE MENTION

Dog fanciers in Estacada fared well with their exhibits in last weeks show at Portland, as all who had dogs there received prizes or honorable mention. Botkin's Great Dane won 2nd. Adix's Airedales received two 2nds. Joe Nicholson's two English Bull dogs received two reserves and were highly commended. It was on account of the leg, which is weak in his dog that prevented him from landing one of the better prizes.

A dance will be given by me every Saturday night in Hunt's hall commencing at 8 P. M. and lasting till 12 P. M. Music, three pieces. Admission 25 cents.

Cazadero Grocery Store Sold

H. Hughes, who has conducted a general store in Cazadero for about three years, has sold his store to E. A. Gwinn, of Dallas, Ore., who took charge of the same on Tuesday. He and his sister expect to move at once to Cazadero. Mr. Hughes has kept an up-to-date store and carried a much larger stock of goods than was carried when he first went there. He and his family have made many friends who would be glad to learn that they would still remain. As yet his future plans have not been made.

Mr. Standish, who has been enthusiastic about electric light for Garfield, has just had word from the P. R. L. & P. Co. informing him that for the present they do not consider the running of the line a paying proposition.

Surprise Party

Last week one day Melvin Shankland had a birthday and a few of his boy friends thought it would be a good scheme to drop in on him, so they carefully laid their plans and awaited the coming of the great day. A number of the girls thought it would be a still better scheme if they would go and surprise the boys and Melvin both, consequently Currinsville had a very mysterious population for the few days preceeding the birthday. It is needless to say that everyone was surprised and that they had a good time and had plenty to eat, for that's a part of a birthday surprise party.

D. F. Warner took occasion to call on the Progress and request us to say that while he has not yet called on many persons living in his district that he will do so yet. Many, knowing that the time for taking the census in Portland had expired, supposed that it was up in this district also. This is not the case for our enumerators have thirty days to complete their work, while the enumerators had only two weeks in which to do the work in Portland.

E. M. Miller is moving into his new home in the Fraley addition.
