The correct way to pronounce it is Es-ta-ca-da, accent on the third syllable, a having the sound of a as in ah in the two last syllables.

Every thresherman and farmer in Oregon is invited to attend the Threshermen's convention to be held at Albany June 2nd and 3rd. Secretary Bates states that it will be the largest gathering of agriculturists in Oregon this year. The United States government has arranged to send two of its best men from Washington, the Governor of the state will be present and the program for the two days is replete with the best that money could obtain. The Commercial Club of Albany will furnish a big banquet at noon of the 3rd to the delegates on the Court house lawn. Both the O. R. & N. and Southern Pacific lines and branches have made a one and one third rate on the certificate plan and a ten days limit will be given to the Eastern Oregon contingent that they may stop over at Portland for the Rose Festival the following week.

Central Oregon has lived an eventful life the past two weeks, first with a series of development meetings planned by the commercial organizations at Bend, Prineville, Burns, Prairie City and Enterprise, and then in entertaining Louis W. Hill and his party who made a leisurely trip through the region in automobiles, and everywhere received welcomes that would put to shame the conventional receptions of the large cities.

Oregon feels complimented in the naming of the two magnificent new steamers of the San Francisco & Portland Steamship Company to ply between the two cities. "The Beaver" and "The Bear" are twin vessels, modern and luxurious in the extreme. Last Thursday "The Bear" had a "boat-warming" at Portland, and from two o'clock in the afternoon until nine in the evening entertained hundreds of visitors.

Most interesting single feature of all was the award of contract for a mammoth bridge over the Columbia at Celilo Falls for the Oregon Trunk. The cost will be approximately \$1,500,000, there will be twenty-nine spans to the structure and it must be completed by January 1, 1912. The total length is 3960 feet, or more than three-quarters of a mile. The longest span is 350 feet.

Foreign mail of the Oregon Development League increases at a rate that can best be described as appalling for those who must answer the inquiry. Saturday morning's delivery included letters from Russia, Germany, Holland, Denmark, Belgium, Philippines, Italy, Honduras and Sweden, as well as those from all parts of North America.

A party of thirty Minnesota bankers and a second party of prominent Wisconsin business men, the latter travelling under the auspices of the Oshkosh Chamber of Commerce, will arrive in Portland during the first week in June. They plan to see Oregon thoroughly after participating in the Rose Festival.

Much interest is manifested in the Strawberry Festival June 4th.

without any perceptible change on Mother Earth. It has been the indirect cause of numerous deaths, insanity and ridiculous and uncomfortable situations. In Estacada persons have left their beds at unseasonable hours and climbed to the highest hills and became chilled by their endeavor to get a glimpse of the comet or see some strange sight. In some of the larger cities persons have fallen from house roofs and windows to death trying to see the same phenomenon. Account is also given of a sheep herder going insane over in Eastern Oregon from fear or trying to solve mysteries connected with the appearing of the comet. Over the entire world it has attracted much attention from all.

\$100 REWARD \$100
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
