The trip through Oregon of President Louis W. Hill of the Great Northern Railway has probably occasioned a greater amount of newspaper comment in the papers of the state than has been accorded the visit of any other man during the last ten years. Mr. Hill's entrance into Central Oregon from Shaniko was somewhat arduous, as he started immediately after the hardest rain for twelve months which had resulted in making some of the roads almost impassable, but he was determined to see all there was to see, and his personal discomfort was never mentioned. In every place he had something definite and decisive to say. His visit has served as a tremendous encouragement to those interested in the development of Oregon.

Strawberry Festival

At a meeting of the several committees of the Strawberry Festival held in the Commercial Club room on Monday evening plans for the big day were more definitely arranged. There will be two ball games, one at 10:30 A. M. and the other 2:30 P. M. Brown's band and orchestra of Portland will furnish good music during the day and evening, this will be one of the leading features. They have been secured at a good price, but there is nothing too good for Estacada. Special round-trip fares have been secured between here and Portland, the rate being 75 cents, also special car service during the day from 10:30 A. M. A special late car will leave for Portland at 11:30 P. M. Everyone is invited to come and enjoy the day and evening. "Uliliket" is the slogan.

\$100 REWARD \$100
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that fails to cure. Send for list of testimonials.
