## ROBBERS PLUNDER MINE.

en Get Away With Vastly Rich Sack of Ore.

National, Nevada, June 13. - Two robbers held up three miners in the stope above Tunnel No. 31/2, of the property of the National Mining company, of Nevada, locally known as 'The Mint," on account of its great wealth, about 11 o'clock last night and

Sheriff Lamb and a number of deputies hurried from Winnemucca to day and are now investigating the robbery. American horses are winning many This is considered one of the most daring crimes committed in the state in recent years. At the time of the robbery the night shift, numbering about 75 men, was busy at work, all the men within 3,000 feet of tunnel No. 31/6. Under cover of darkness the desperadoes succeeded in getting past the various armed guards and hid near the mouth of the tunnel. Just at 11 The brief in the Ballinger-Pinchot o'clock a carman rolled a car of ore case has been filed by the investigating from the tunnel. He was promptly committee, and covers over 1,000 covered with guns by the robbers. In accordance with instructions he led the way to stope 4, where the shift boss and another miner were working.
