The correct way to pronounce it is Es-ta-ca-da, accent on the third syllable, a-having the sound of a as in ah in the two last syllables.

The Pacific Power & Light company, organized by Eastern capitalists with a capitalization of \$7,500,000, plans to develop a great electrical generating and distributing system throughout the Yakima, Columbia and Walla Walla valleys. Other concerns have been taken over by the big corporation, which will give special attention to furnishing power for irrigation work throughout the territory covered. It is promised that by concentrating the water power development in the Northwest, a more satisfactory service will be developed than can be rendered by private companies.

Uncle Sam is counting his timber wealth on the slopes of the Cascade Mountains. Expert timber cruisers in the employ of the Government are at work making the estimate and it is expected it will take all this summer and next to complete the cruise of the water shed of the Willamette River and its tributaries in the Cascade Reserve. The land will be classified and the timber segregated into logging units. This is the first attempt, so far as known, of the Government to take an inventory of its timber resources.

The old Dalles military wagon road grant is about to be placed on the market and this land, together with the Willamette Valley & Cascade Mountain road grant that is to be sold in small tracts, will mean a great colonization movement for Oregon during the coming few years. The Dalles grant comprises 430,000 acres and is very largely valuable agricultural land. Its settlement will mean a great increase in the state's population and wealth.

Lumber manufacturers of the Oregon & Washington association are perfecting plans for the logging congress to be held in Portland late next month. The visitors will spend three days in the city and local loggers and lumbermen will be hosts. The sawmill men and timber cutters of the Northwest will become better acquainted as a result of the gathering and the benefits following the meeting will be mutual.

We have some good club rates which we can show you.

See the Estacada Furniture Co's rugs. For the next few days they will sell their \$35 Electric Saxony rugs for \$28 and their Smith Saxony \$25 rugs for \$21. Now is the time to buy your fine rugs.

GARFIELD

The Garfield baseball team defeated Springwater 8 to 7 in a four-team game. The two teams were very evenly matched but finally in the first of the fourteenth inning Springwater scored making it 7 to 6 in Springwater's favor, but Garfield was there with the "come back" and brought in two runs winning the game. It is hoped that another game can be arranged for a week from Saturday, thus eliminating the game on Sunday. If this can be done Garfield will insure a good crowd of "fans," as the sentiment out here is in favor of no Sunday ball.

Mr. Henry Trapp is at the Good Samaritan Hospital having just undergone an operation for appendicitis and is recovering as rapidly as possible.
 Dr. Hewitt and family, of Portland, have moved on to their ranch in Garfield.
 Coyd Looney has taken a trip to Eugene and the country near there. He expects to be gone about two weeks.
 R. M. Standish is moving into his new home in Garfield. The building done by Reed and Crawford and the interior work done by Cassidy and Irwin would be hard to be surpassed.

DODGE

On June 20th the annual school meeting was held at Dodge for the election of officers. Mr. Horner was elected clerk for the 3rd term. Mr. Marchbank resigned as chairman in favor of Mr. Marrs. Messrs. Roley and Young were nominated for directors. Mr. Young was elected. It was decided to advertise for bidders to cut ten cords of wood. Bids may be handed to the clerk.
 After the close of the meeting Mr. Roley rose and suggested the changing of the name of Dodge. Hardly before the speaker had finished speaking the worthy chairman absent mindedly gave out an announcement with regard to the cleaning up of the Springwater cemetery. Mr. Roley was not to have his suggestion run over this way and rising informed the chairman we were not quite ready to bury Dodge yet. Several names were suggested for the place, among them someone proposed to name it after one of the inhabitants, namely Young, but Mr. Young was not agreeable, saying Dodge was too old to be called Young. The people of the district seemed to favor Mr. Roley's suggestion. Dodge to most people seems a very odd name, especially those not acquainted with it, who often enjoy to make a joke out of the name on first hearing of it. Their is no reason why the place should not have a well sounding name.
 Mr. W. E. Myers met with an accident while at work at Mr. Bitner's mill. A heavy timber unfortunately fell on his foot smashing four of his toes, but he is progressing nicely and hope to see him back in a week or two. He is a valuable hand at the mill and his services are sorely missed.
 Building is brisk here at Dodge. Mr. Lacy is adding more buildings to his ranch.
 The people of Dodge have been very much troubled of late by Mr. Marr's steer. One of the neighbors on rising this morning found, much to his surprise, that the destructive steer had just finished eating the last shirt of the washing that was hung out the night previous. The steer also devoured two cakes of soap, consequently there is a soap famine in Dodge.

Uncle Sam's mail carriers enjoyed a Sunday outing in the Park at Estacada last Sunday. They were accompanied by their friends and families. It was an orderly and well behaved gathering.

Notice

Call for sealed bids for the erection of an addition to the school house building.
 Notice is hereby given that the school directors of District No. 108, Clackamas county, State of Oregon, will, on July 18, 1910, at 10 A. M., consider bids for the erection of an addition to the school house building in Estacada, said county and state, according to the plans and specifications and to be completed by September 20, 1910. All bids should be addressed to L. E. Belis, Clerk, Estacada, and each bid must be accompanied by a certified check payable to School District 108, Clackamas county, for 10 per cent. of the amount of the bid as security that the bidder will, if his bid is accepted, at once enter into a contract with said district for the erection of said addition to the school house building according to said plans and specifications and within the time herein allowed. Plans and specifications of said addition may be seen and consulted at the Estacada Pharmacy. The said successful bidder will be required to furnish a bond with sureties to be approved by said school directors, in the sum of one half the amount of their bid conditioned upon the faithful performance of any contract or agreement entered into between them and said school district. The directors reserve the right to reject any and all bids.
 By order of the School Directors, Dist. 108 Clackamas county, Oregon, this 27th day of June 1910.
 L. E. BELFIELD, Clerk
