## Figures From County Records Prove We Received All Our Road Money

Erroneous Opinion Concerning Money In Road Fund Corrected By Figures From County Records

The Progress some time ago made the statement that we people of Eastern Clackamas did not receive all of our road taxes collected here to be expended locally on our roads. At the time we made this statement we did so from what appeared to us a fact from trustworthy information. We have since learned from official records that we were in error in making these statements and as it is the policy of the Progress to give the facts, in justice we are very glad to make correction.

For the information of the several

Received from Sheriff 1907 Tax	\$1796 92

		<b>\$6634 21</b>

By agreement between Districts 10 and 49, which was a part of District No. 10, the \$775.87 transfer was made. It is further stated that all warrants drawn upon the special road fund of District No. 10 was authorized by road supervisors and their reports are now on file with the county clerk.

Now as to the amount of the

From these figures it must be admitted that we have not been discriminated against in the matter of our road money and like many other rumors that are not founded on facts, do injustice to those who are responsible for the handling of these funds.

Judge Dimick, at a meeting held

Dr. and Mrs. Adix left on Sunday to drive to Tillamook. They expect to be away for a couple of weeks. Dr. Purcell of Portland is in charge of his practise.

John Zobrist was a business visitor to Portland on Wednesday.

Fred Gartner, who is enjoying (in his mind) his vacation at Tillamook, whipping the nearby coast streams until the beautifully speckled, finny tribe is almost exterminated, came into the Progress office late Wednesday night, dust begrimed and disgusted and said that the upper clackamas scenery and fishing was good enough for him. He had started to drive to Tillamook and after going about a third of the way his horse refused to go on further and Fred was compelled to return home. Mrs. Gartner and the children remained in Portland.

### Ball Team Reorganizes

At a meeting of the baseball players on Sunday evening held for the purpose of electing new officers Tom Rhoades was elected manager and Wilbur Simmons captain, taking the places of Lovelace manager and Neal Bronson captain. It is to be regretted that the retiring officers had such a short time to demonstrate their ability to successfully carry the team to victory. It is hoped, however, that the same snap and good ball playing that characterized the effort of those who organized the team will again be shown.

The team has been strengthened by adding Roy and "Doc" Douglass and Heitsman, three speedy Eagle Creek players, and the public is assured of the best effort of the newly organized team and are respectfully solicited to add their patronage and support.

The line-up is as follows, Heitsman, catcher; R. Douglass, pitcher; "Doc" Douglass, short stop; Simmons 1st base; Haskins, 2nd base; Brown, 3rd base; E. Townsend, left field; S. Smith, center field; Stubbs, right field.

### At the Furniture Store

We are expecting a new line of Dressers this week. Come in and look over our line of Furniture, Queensware, Wall Paper and Matting. We have some bargains on Queensware and also on Furniture and Wall Paper.

We will guarantee Portland prices on anything in our line. We do not throw out any leaders to blind the people and then take the advantage on other things that people do not understand the prices of. We are here to serve the people and are ready to correct any error we might make and to accommodate to the full extent of our ability.

Come in and we will show you where we can make you better prices than you can get in Portland and help to build up your own community. We will help you.
