Death Of Mrs. Coffin
Mrs. Sarah Jane Coffin died at Currinsville on Friday Nov. 25 at the home of her daughter Mrs. Yount, with whom she has made her home most of the time since Mrs. Yount has lived in Currinsville.

Miss Sarah Jane Nobles was born in the state of New York August 15, 1841. When a small child she moved with her parents to Stevens Point, Wisconsin, where she grew to womanhood.

She was married to Abner Coffin May 30, 1856. In 1868 they moved to Cloud Co., Kansas, where they took a homestead and were one of the first settlers in that part.

To this union were born ten children. Her husband passed away in 1895. Three sons and two daughters survive her, Mrs. Nettie Corning at Delphos, Kansas; Orin Coffin, Tacoma, Wash.; Jesse Coffin, Hazelton, Kansas; Lew Coffin, Portland, Ore.; Mrs. Frances Yount Currinsville, Ore., whom she lived with at the time of her death. Besides these she leaves three sisters, one brother, seventeen grand children and a large circle of friends to mourn her loss.

Funeral services were conducted by Rev. Browne at the Currinsville M. E. Church. Interment was made at the I. O. O. F. cemetery at Estacada on Sunday.

Welter-Stubbs
At the home of the bridegroom's father, on Thanksgiving day, Miss Marene Welter of Newberg was united in the holy bonds of matrimony to Mr. J. W. Stubbs of this city. E. W. Sewall, pastor of the Christian Church said the words that tied their lives together.

The wedding was one of those quiet affairs, only a few friends and near relatives being invited.

The young couple was very neatly but modestly dressed, which impresses one with the true and ancient sacredness of such occasions. They seem very much devoted to each other and the unassuming manner in which they conducted themselves during the pronouncing of the words by the minister, solemnly folding the cords of their future hopes and joys together, bespeak for them a realization of the new relationship into which they were entering.

Both bride and groom have many friends in Estacada who join the

Davis-Jacobs
Miss Grace Davis and Mr. Rulo Jacobs were married at the residence of the bride's father, Mr. Wm. Davis, on Nov. 24, 1910 by Edwin Bates J. P.

The bride looked charming in a white silk dress and long bridal veil. After congratulations the guests sat down to a sumptuous dinner. The happy couple received a number of nice wedding presents.

Those present were Mr. and Mrs. Wm. Davis, Fred Davis and daughter, Richard Davis and family, Elmer Davis and family, Will Davis, Ray Jacobs and family of Estacada, Miss Jessie Jacobs of Portland, Mrs. Edwin Bates and Mr. and Mrs. Shriner.

The wedding party took the 5 o'clock car at Cazadero for Port-

Ends Winter's Troubles
To many, winter is a season of trouble. The frost bitten toes and fingers, chapped hands and lips, chilblains, cold sores and rough skins, prove this. But such troubles fly before Bucklen's Arnica Salve. A trial convinces. Greatest healer of burns, boils, piles, cuts, sores, eczema and sprains. Only 25c at all druggists.

Money Given States
For the fiscal year ended June 30 last, the U. S. Department of Agriculture announces, the 25 per cent. of National Forest revenue which will go to the states for road and school purposes amounted to \$506,194.84. This was \$67,492.03 more than last year, or an increase of a little over 15 per cent. The payments are an offset to the loss of income from taxable property sustained through withdrawal of the forest land from entry under the public land laws.

The amounts which will go to the various states are as follows: Arizona, \$51,220.58; Arkansas, \$2,904.44; California, \$60,752.91; Colorado, \$50,306.19; Florida, \$706.38; Idaho, \$66,074.55; Kansas, \$1,004.67; Minnesota, \$457.37; Montana, \$83,678.38; Nebraska, \$2,820.25; Nevada, \$16,314.33; New Mexico, \$28,529.53; North Dakota, \$63.64; Oklahoma, \$626.10; Oregon, \$39,635.87; South Dakota \$9,808.93; Utah, \$32,905.49; Washington, \$23,671.89; Wyoming \$34,704.54.

Noteworthy is the especially heavy increase over the amounts last year in certain states. In California the amount rose by over 25 per cent, in Idaho by over 35 per cent, and in Oregon by nearly 50 per cent. The increases are the result of increased activity in National Forest timber sales in these states and are an earnest of what will happen as the timber supply which the Government is caring for comes into full demand. Since the cut of timber will always be limited to what the forests will keep on growing, the income to the states will be permanent, not transitory, as would have been the case if hasty and improvident exploitation had been permitted. According to the calculations of the Department of Agriculture officials the states will eventually receive many times what the forests are now yielding them, for there is as yet on the whole only a restricted demand for the Government's timber.

Saved from Awful Death
How an appalling calamity in his family was prevented is told by A. D. McDonald of Fayetteville, N. C., R. F. D. No. 8. "My sister had consumption," he writes "she was very thin and pale, had no appetite and seemed to grow weaker every day, as all remedies failed, till Dr. King's new discovery was tried, and so completely cured her, that she has not been troubled with a cough since. Its the best medicine I ever saw or heard of." For coughs, colds, influenza, asthma, croup, hemorrhage, all bronchial troubles it has no equal, 50c. Trial bottle free. Guaranteed by all druggists.

League Holds Interesting Meeting
The Oregon Development League convened in Salem on Monday and continued until Wednesday.

Theodore B. Wilcox, president, made the opening address and simply electrified the assembly by his reference to the contemplated development in this state during the next five years. On his authority James J. Hill, the Empire Builder of the Northwest, was quoted as saying last June that "More miles of railroad will be built in Oregon in the next five years than in any other state in the Union except Montana."

It was a very enthusiastic gathering of prominent and able men who are bound together by a common desire to boost the state and tell of its possibilities so that the remotest parts of the earth may know of our resources and share in its development. They are from every part of the state. L. E. Belfels represents Estacada.

Howard Elliott, president of the Northern Pacific, made the principal speech on Tuesday and said
