### ANNOUNCEMENT

Owing to the heavy increase of the business of this bank and the extra amount of general work as a result of new conditions, we feel that in order to give the very best service to our patrons as well as the general public, and for the further reason of following more closely the custom of many of the banks throughout the country, the hours of this bank will be changed as follows, to take effect on Monday, November 21st, 1910:

Open 8:45 A. M. until 4 P. M. on all days excepting Sundays and holidays.

L. E. BELFILS, Cashier

Grade work on the Cazadero extension is progressing. It is being done by sub-contractors at present. No day workers are employed. The sub-contractors are doing the work.

Wm. Wilcox, of Garfield, spent several days last week in Portland in consequence of the illness and death of his brother George Wilcox which occurred in that city on Friday.

When you have a cold get a bottle of Chamberlain's cough remedy. It will soon fix you up all right and will ward off any tendency toward pneumonia. This remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. Sold by all good dealers.

Wm. Allen, of Boise, Idaho, has been in Estacada for two weeks visiting his sister Mrs. W. W. Porter and other relatives. He probably may locate here if he can find an investment to his liking.

A business meeting of the Epworth League will be held next Friday evening at 7:30 in the church. A social at the Parsonage has been arranged for immediately after the business meeting. Everyone cordially invited.

The quicker a cold is gotten rid of the less the danger from pneumonia and other serious diseases. Mr. B. W. L. Hall, of Waverly, Va., says: "I firmly believe Chamberlain's cough remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by all good dealers.

H. W. Blood who is the owner of considerable property in Estacada, surprised his friends by suddenly dropping into town on Tuesday. Mr. Blood has not been well for almost a year but at present has regained his former health, which is gratifying news to all.

Mayor Reed and E. S. Womer are delegates from Clackamas County to the Good Roads Association convention to be held in Portland next Monday. If you have suggestions to make as to needed legislation or other road matters tell them about it before Monday.

When your feet are wet and cold, and your body chilled through and through from exposure, take a big dose of Chamberlain's cough remedy, bathe your feet in hot water before going to bed, and you are almost certain to ward off a severe cold. For sale by all good dealers.

A special series of sermons to young men will be preached at the Methodist Church, commencing Sunday December 11th (next Sunday) and continuing for four Sunday evenings. Topic for next Sunday, "The Young Man in Society." All young men are especially invited to these services.

On Dec. 1st Mrs. E. S. Womer had a birthday which was specially remembered by her friends as being close to a half century. She being a Pennsylvanian it was from there she received the greatest number of very pretty tokens and remembrances of the day. She has received over fifty cards, letters and other remembrances for which she is very grateful for their well wishes.

"I had been troubled with constipation for two years and tried all of the best physicians in Bristol, Tenn., and they could do nothing for me," writes Thos. E. Williams, Middleboro, Ky. "Two packages of Chamberlain's stomach and liver tablets cured me." For sale by all good dealers.

### Don't Fail To Hear

C. C. Chapman

The opening meeting of the Estacada Fruit Growers' Association on Saturday afternoon next will be more of a treat than was originally expected.

The officers announce that they have arranged to have Mr. C. C. Chapman, the secretary of the Portland Chamber of Commerce, present and that he will give one of his famous speeches. There will also be present Mr. Lewis, the County Fruit Inspector, and with two such speakers, the meeting will be a hummer.

Mr. Chapman is the man who succeeded Tom Richardson as secretary of the Portland Chamber of Commerce and he is equally as good a man as his predecessor. There probably is not a better booster in the United States than Mr. Chapman and he can talk or make a speech that will make his listeners sit up and take notice.

Owing to the fact that Mr. Chapman is so much in demand, it is not likely that the people of Estacada will get another chance for some time to hear him, so don't miss this opportunity. He is no old foggy, but a young man with a voice like a fog horn and he certainly can talk on his pet subject, "Boosting."

We want every man in Estacada and vicinity to be present at this meeting whether you are a member of the Association or not, we want you and you will miss a treat if you are not present next Saturday. Mr. Chapman isn't used to talking to small audiences and we don't want to give him the chance here. Come yourself, bring your wife and tell your neighbor to be present also.

### A Shower

Last Friday evening about two dozen of the young friends of Mr. and Mrs. D. B. Eshleman dropped in on them in their new house on the Boulevard, and surprised them with a shower. The guests were all dressed in hard time costumes, and to say they were hard time does not do justice to the costumes at all. Most of them resembled a crazy quilt that had been badly torn. To say the surprised engaged themselves would be putting that very lightly also. Refreshments were served after the usual generous supply of games had been exhausted. About midnight all returned to their several homes, wishing there might be many more newlyweds on whom they could call and surprise.

Dishes make a very acceptable Christmas gift. We have a large assortment.—Estacada Furniture Co.

The Estacada Ladies Aid will serve a supper Dec. 16th at the I. O. O. F. hall. The supper will be served in cafeteria style so each can get just what they want. There will be a sale of various articles which the ladies have made. Don't forget to come and see our family of small dolls. The boys and girls can also go fishing. We will also have a candy booth and handkerchief booth. The menu will appear next week.

Boner has received some extra fine boxes of candy. They are dandies and are just the thing for a Christmas gift.

J. Smith is a new butcher in Estacada having opened up shop on Wednesday.

The five months old baby of Mr. and Mrs. E. L. Womacott died on Wednesday morning. It had contracted pneumonia which was the cause of death. Funeral services were conducted Thursday by Rev. Browne. Interment was made in Mount Zion Cemetery.

### Wool Growers

### Convention

The 13th Annual Convention of the Oregon Wool Growers' Association will be held at Portland, Oregon, Jan. 3rd, 1911, just one day before the opening of the great 47th Annual Convention of the National Association, and Mid-Winter Sheep Show.

The O. R. & N. Ry. Co. have granted a 1/2 fare for round trip with privilege of attending both Conventions.

Portland and her Commercial Club are making elaborate preparations to give the Wool Growers bounteous and sumptuous entertainment. These two conventions coming together promise to be a great and most significant gathering of sheepmen.

It is up to us to show our appreciation to Portland by accepting her invitation in person next January and help welcome our brother sheepmen.

The Mid-Winter Sheep Show promises to be the best ever held in America. Come and bring your friends. Everybody welcome.

Very Respectfully,  
DAN P. SMYTHE, Sec.
