The correct way to pronounce it is Es-ta-ca-da, accent on the third syllable, a having the sound of a in ah in the two last syllables.
The Portland Apple Show was a great success. In fact, the big dailies say it was the most successful Oregon apple show ever held. There certainly was an elegant display of fine apples.
The one thing that seemed to us humiliating as we gazed over the display, was the lack of Clackamas County grown apples. Considering that Clackamas County at one time produced nearly all the apples grown in Oregon it seemed strange. To hear our lands praised and lauded by the very men who were most interested in this display and then see what other localities have done in less favored spots simply by an effort, made us feel humiliated. There is another day coming however. It is when the large acreage of young orchards now being planted come into bearing. With the care we have started out to give these orchards we believe things will be different. By this we do not mean to detract from the splendid display of other localities, but predict that Clackamas will come into her rightful place in the display. The paid admissions to see this exhibit amounted to over \$3,000.

Benefits following the Oregon Development League convention last week at Salem will be state wide. Probably never before in Oregon's history has there been manifested such spontaneous enthusiasm for a greater state. Every delegate from the 62 Oregon communities represented went back home with new resolves, determined to accomplish greater things for the state.
"The knowledge and courage delegates will take back to their homes is one of the great results of the convention," said C. C. Chapman, secretary-treasurer of the League. "The meeting was a tremendous success from every standpoint, but the greatest accomplishment of all was the bringing together of 62 communities and uniting them for a tremendous campaign of development.

This is a prize year for Oregon, and the taking of premiums at outside shows seems to have no end. Hood River not only took the first prize at Spokane for apples but followed it up with capturing the sweepstakes at Chicago in competition with the whole country. Medford took first prize at the Canadian National Apple Show at Vancouver, B. C., a Madras man took first honors at the Dry Farming Congress at Spokane with an exhibit, and now comes a Heppner stock breeder who receives the highest average price paid for Shorthorn cattle at the International Livestock Show at Chicago. One two-year-old heifer sold for \$675. The average price received was \$380.

Astoria has plans well along for its 1911 Centennial. The project has been launched with considerable enthusiasm and attention will be attracted to it from all parts of the United States. The celebration of the planting of the first American colony on the Pacific Coast will appeal to the whole country and the anniversary can be easily made of national interest. Astorians say members of the Astor family will participate in the celebration.

Intensive development of the Willamette Valley is assured on a great scale. The Oregon Power Company is undertaking extensive improvements and extensions to its plants throughout the valley that will mean an expenditure of \$1,500,000. Electric and gas lighting plants in the various cities will be enlarged and many water powers

Special Holiday Bargains at ESTACADA PHARMACY
As we buy for cash and sell at a closer margin of profit than other stores, your money will go farther here than elsewhere. Come and look around before our assortments are broken. If you don't happen to know just what you want, we will aid you to make your selections, and will lay them away for you until you want them. Be sure you do your Christmas shopping early, as our store will be crowded later on, and we might not be able to give you as much attention as we would like. Our assortments were never larger and our prices never lower.
Remember each 25 cent cash purchase gives you a ticket on the Doll.

Denatured Alcohol in Solid Form
(Cleveland Special Dispatch)
A well known Wheeling, W. Va., chemist has succeeded in producing chunks of denatured alcohol in crystal form by means of a small infusion of certain acids whereby crystals of an alkaloidal nature very closely resembling physiologically the effects of ethyl alcohol distilled from saw dust. The method employed and the results obtained are somewhat similar to the crystallizing of rock candy or that of Saccharine containing as it does 350 times the sweetening strength over that of cane sugar so this alkaloidal crystallized alcohol contains many times the strength over the ordinary denatured fluid alcohol they will yield 194 proof denatured alcohol with a greater heating and cooking power for stoves than gasoline and it is absolutely non-explosive.

Saved from Awful Death
How an appalling calamity in his family was prevented is told by A. D. McDonald of Fayetteville, N. C., R. F. D. No. 8. "My sister had consumption," he writes "she was very thin and pale, had no appetite and seemed to grow weaker every day, as all remedies failed, till Dr. King's new discovery was tried, and so completely cured her, that she has not been troubled with a cough since. Its the best medicine I ever saw or heard of." For coughs, colds, lagrippe, asthma, croup, hemorrhage, all bronchial troubles it has no equal, 50c. \$1.00. Trial bottle free. Guaranteed by all druggists.

GARFIELD
The subscription blank for raising the \$700.00 necessary for the erection of the Garfield gymnasium will be brought around to you within the next two weeks and we want all the money pledged within two weeks in order that we may have the building completed by the last of January. The people of Garfield are very fortunate in that they have a competent instructor in gymnastic work, Henry Hewitt, who will be a "Garfielder" from now on, has been connected with this work for the past five years in Portland. He had a class at Ringler's Gymnasium, one at the Portland Y. M. C. A. and last summer had charge of one of Portland's largest playgrounds. He has consented to give his services out here and you who have children certainly know the great benefits received from this course of instruction.
At the meeting of the Oregon Development League recently held in Salem the following cheer was given for Estacada, "To h— with Utah, California and Nevada, Pack your suit case and take the car for ESTACADA."
Mr. Harry Stokes and wife have recently made their home in Garfield. Mrs. Roy Stokes invited a few of the neighbors over to meet the bride and groom and a very enjoyable evening was spent by all present.
Sunday school in the Nora Hale-Looney Church will be held after this at one thirty sharp and the preaching at the usual time.
