Every farmer in this locality seems to be playing tag with the snowstorms, trying to get their grain sown between snows.

## Gresham Defeats Estacada

Interesting Games Of Basket Ball Are Played In The Pavilion; Gresham Is Again Victor

On Saturday evening two basketball games were played at the Pavilion. These were the first games played by the local High School team with a visiting team and much enthusiasm was manifested by the patrons of the school. A very good attendance was accorded the players. The Gresham High School boys and girls teams were the visitors and they played good ball. They came in a special car and a number of Greshamites who were present cheered the good playing they did. The first game was by the girls' teams. Our girls were praised for their one score and the fact they were able to hold the score of Gresham down, as in both the girls and boys teams we were outclassed by the visitors. The line-up of Gresham was: Maude Mitchell, forward; Lottie Davis, forward; Marguerite Mitchell, center; Marguerite Schantive, guard; Evelyn Metzger, guard. Estacada's line-up was Echo Githens, center; Lena Harkenrider, forward; Clema Harkenrider, forward; Rachael Reed, guard; Ethel Hale, guard. Score 11 to 1 in favor of Gresham.

Henry Hewitt acted as referee. The boy's game, 23 to 12 in favor of Gresham, was considerably less

than the defeat our boys suffered at Gresham and if the home team continues to lower the record in the same proportion it won't be long until we can talk back and won't need to take a back seat for any of them. Gresham's line-up: Thompson, center; Sunday, forward; Roberts, forward; Metzger, guard; Hose and Ryan, guard. Estacada: Milton Evans, center; Robt. Morton, forward; Wm. Dale, forward; Bert Page, guard; Malcolm Woodlee guard.

## Death Of Francis L. Bates

On Monday morning Feb. 27th, Francis L. Bates, well known to most of the older residents of this section died at the home of his daughter Mrs. Earnest Layton, of Willamette. Mr. Bates had been a resident of Clackamas County for about forty years. He was born at Stamford, Conn., coming West about forty years ago and settled in Clackamas County, where he has resided since. He was twice married but has been a widower for a number of years. He was the father of John L. Bates deceased. He is survived by two daughters Mrs. Earnest Layton, with whom he made his home, and Mrs. Daniel Sullivan of Seattle also two brothers Mr. Edwin Bates of our city and Anson Bates who resides in California. At the time of his death he had just passed his sixty-second birthday. The cause of his death was lagrippe. He contracted a cold about the first of this year and seemed unable to get rid of it. While it was known that he was seriously ill his death came as a surprise to his many friends.

## Big Pigs

Some time since were butchered three and one-half months old pigs that dressed an average of 167 pounds. They were raised by C. H. Sarver at Currinsville and were allowed to run at large, given all they would eat, thus disproving the usual theory that hogs must be kept penned up to fatten. These pigs were shipped to Kindoff at Portland, who declared they were the finest meat that ever came into his shop, is the report made to the Progress.

## Attacks school principal

A severe attack on school principal, Chas. B. Allen, of Sylvania, Ga., is thus told by him. "For more than three years," he writes, "I suffered indescribable torture from rheumatism, liver and stomach trouble and diseased kidneys. All remedies failed till I used Electric Bitters, but four bottles of this wonderful remedy cured me completely." Such results are common. Thousands bless them for curing stomach trouble, female complaints, kidney disorders, biliousness, and for new health and vigor. Try them. Only 50c at all druggists.
