CONGRESS ASKED TO "HALT."

## FAMINE BRINGS RIOT Fifty San Antonio Citizens "Demand" Non-Interference.

Washington-That the president and ongress shall "call a halt and take hands off ' in the matter of the Mexi can revolution is the "demand" of certain residents of San Antonio, Tex. The demand reached the senate in a petition bearing 50 signatures. The document was addressed to "The President of the United States and to the Speaker of the House of Representatives," and read:

We the undersigned citizens of San with being the keystone of a trust that has ramifications in every state Victoria, B. C., March 2.—Rendered Antonio, Texas, and liberty-loving desperate by the famine, bands of people of the United States, do herehundreds of starving refugees are rov-ing through the stricken district and the country's supply of electric lights. steamer Tamba Maru, which reached revolutionists; we therefore demand that you call a halt and take hands off

## RUEF WILL GO TO PEN.

### Bids Friends Good-Bye and Surrenders to Deputy Sheriff.

San Francisco, Feb. 28.-After being at liberty for 15 months on a bail bond aggregating \$600,000, Abraham

bye, went home. A deputy was waitcame up with them in a small village ing at his residence with a bench war rant issued by Judge Lawler. Ruef quietly surrendered himself and the pair started for the county jail.

An appeal to the United States Supreme court on some constitutional ground is his only recourse now. If such action is not taken. Ruef probably will start for San Quentin in a villagers' pressing them back to the day or two to begin serving a 14-year burning buildings, they hacked the five men slowly to death. Prisoners

## EATING DOGS AND CATS.

### Starving Chinese Use Pets to Ward Off Death.

Shanghai.-A missionary who arrived here from the famine district, where he had been engaged in relief work, says that 3,000 persons are dy-ing daily and that 350,000 are wholly dependent on the foreign famine com mittee, which was organized here.

In many places dogs and cats are being killed for food and houses are pulled down by the occupants and the debris exchanged for anything that can be eaten.

There is urgent need of help pending the arrival of the American transport Buford, which is bringing sup plies donated by the people of the United States.
