## Spring-Cleaning

The Human System Needs It.

Mrs. M. Morgan, 411 4th Ave., E., Brainerd, Minn., writes: "I take from one to two bottles of Hood's Sarsapa-rilla in the spring to purify the blood just as regularly as I do my house-cleaning, and go around light-footed and light-hearted. I believe it is the best blood purifier known." Mood's Sarsaparilla so combines the curative principles of roots, barks and herbs as to raise them to their highest efficiency; hence its unequaled cures. Get it today in usual liquid form or tablets called Sarsatabs.
