The correct way to pronounce it is Es-ta-ca-da, accent on the third syllable, a having the sound of a as in ah in the two last syllables.

The Progress has heretofore called attention to the fact of the near approach of our general city election and suggested that the people get together and name men who will represent the majority of the voters as candidates to fill the various offices, that of mayor, treasurer, recorder and councilmen.

According to the amended charter the mayor, treasurer, recorder and two councilmen are to be elected for a term of two years and three councilmen for four years. We have the making of a good and thrifty city in Estacada if we continue to be aggressive and take advantage of our opportunities. Officials of the city have much to do with this success or failure. We need good broad minded officials that do not have personal ambitions but the public good at heart. We think we will be sustained by the voters in saying that these are the qualifying characteristics that should be possessed by our officials. We have no desire to dictate who they should be, but we are satisfied this matter should be attended to at once. We have no time to spare. As our efforts to have this done so far have not been successful, all agree it should be, but none will make the move to have it done. We take the liberty of calling the voters to a citizen's meeting at the City Hall on Monday evening next for the purpose of placing in nomination men to fill the offices for the coming term. See that men who will care for the city interests are nominated.

A sane Fourth of July is promised for Portland. It is now the intention to make a quiet one, without the usual noisy features that are usually so prominent in the observance of Independence Day. People of the city for the most part plan to spend the Fourth in the country and to enjoy picnics and outings in the fields and woods within reach of Portland.

Dr. Woodrow Wilson, governor of New Jersey, will be entertained by the Portland Commercial Club when he visits Portland May 18 and 19. He will be the guest at a banquet in his honor at the Club on the night of May 18 and he will address a public meeting at the Masonic Temple.

**Help Celebrate Birthday**

The young friends of Miss Tressie Hicks gathered at the home of Mr. and Mrs. Dave Eshleman on last Thursday evening to help celebrate her birthday. Quite a number were present and all entered into the spirit of the evening with a zest which could not but help make the event a success. Games, music, etc. were the chief features of the evening. After wishing Miss Hicks many happy returns of the day the guests departed for their several homes.

Do not forget that if you desire good officers to rule the city you should be present and aid in their selection.

Thursday is Portland Day at the Roseburg strawberry festival and rose carnival. A special train left Portland at 11 p. m. Wednesday with 300 passengers. It was a Commercial Club boost train and was in charge of C. C. Chapman. The train is made up of all the modern conveniences including sleepers and drawing room cars and will arrive in Roseburg 7 a. m. Thursday.

### Estacada Dogs Are Winners

Reports in the daily papers of last week state that there is still winning stock bred in our midst. Joe Nicholson exhibited "Melba Bombard" in the puppy class and won the cup for the best English bulldog puppy in the show. This bitch was an easy winner in her class and shows that the taste of her owner is correct when it comes to breeding the bulldog.

In Airedale terriers, Dr. Adix's home bred "Laddix Volunteer" won a silver cup for the best Airedale puppy in the show, stood next to the winner for the cup for the best puppy of any breed in the show. The judge was surprised when told that the puppy was a home bred one and stated that he was as good as seen on any circuit in the East. "Laddix Monarch," although in poor show condition, did credit to himself, defeating the best Airedale on the Pacific Coast.

So Estacada has been advertised somewhat by the thoroughbred canines that delivered three silver cups to their owners.

We have a bargain in a city lot for sale. Inquire at the Progress.

For soreness of the muscles whether induced by violent exercise or injury, Chamberlain's Liniment is excellent. This liniment is also highly esteemed for the relief it affords in cases of rheumatism. Sold by all good dealers.
