Taft Tells Togo of Hopes

Washington - President Taft extended to Japan, through the nation's guest, Admiral Togo, at a dinner in anese naval hero, an invitation to join the United States, Great Britain and or international peace.

Rising from his chair between Admiral Togo and Speaker Clark, the president offered a toast to the emperor of Japan. Then turning to Count Togo, he said:

"I would indeed fail in my duty and be untrue to my own deep convictions did I not take this occasion of the first public welcome to you as our national guest to express my own appreciation and that of the American people of the broad and humanitarian view taken by His Majesty, the emperor of Japan, and the imperial Jap-anese government in so readily and generously affirming, in the most positive and solemn manner, that no consideration of selfish interest should be ermitted to obstruct the progress of the great world movement for inter-Kansas, is ready to quit, but is de- national peace as exemplified in the general treaties of arbitration, be-tween the United States, Great Bri tain and France, signed on the day of

New York—Thomas A. Edison has barring a heavy wind it was believed the fire could be kept from spreading into the grate time is favorable for the gathering of the usual harvests of most great staples.

The period of greatest discomfort was from June 22 to July 10. Higher than 300 babies, and 500 would be about the right figures. Physicians temperatures occurred at other periods about the right figures. Physicians over much of the territory, but the have been studying the situation, and resulting discomfort and loss of human life were doubtless augmented in the birth rate is lower here by far the period just passed by the fact that than in any city of similar size in

Cuban Rebels Are Lost.

Havana-No trace has been found of General Guillermo Acevado and the members of an armed party that took the field at Regla after having issued a manifesto denouncing the adminis-tration of President Gomez as corrupt,

sign.
The government is taking extraortives. There are no evidences of disclub, the Arctic club and the Seattle Acevado is a man of little prominence

and small influence.

Panama Chief Threatens. Panama - The political situation Mexico City.—Enraged by the dis-here grows more complicated. The missal of Emilio Vasquez Gomez from friends of President Arosemna's ad-

San Francisco-The Southern Pacific Railroad company has made effective lic lands committee has reported favorably the Warren bill granting leave no women are to be employed as of absence until April 15, 1912, to Coast. At the request of Representa-tive Lafferty the bill was amended to
