Five Years of Severe Rheumatism Five Years of Severe Rheumatism
The cure of Henry J. Goldstein, 14
Barton Street, Boston, Mass., is another victory by Hood's Sarsaparilla.
This great medicine has succeeded in many cases where others have utterly falled. Mr. Goldstein says: "I suffered from rheumatism five years, it kept me from business and caused excruciating pain. My knees would become as stiff as steel. I tried many medicines without relief, then took Hood's Sarsaparilla, soon felt much better, and now consider myself entirely cured. I recommend Hood's."
Get it today in usual liquid form or chocolated tablets called Sarsatabs.

Dog days is the name applied to the heated season of the year at the time of the heliacal rising of Sirius, the dog star; that is, the time when it rose just before the sun. They usu "She asked the judge to make her husband provide her with traveling expenses."—Detroit Free Press.

ally lasted for about 40 days. We still retain the expression of dog days as applied to the hottest season of the year, but owing to the procession of the equinoxes it is no longer the time

> Does Away With Posing. The latest craze among the Berlin smart set is having one's portrait sketched or painted while asleep. The craze was started by an Austrian aristocrat, Countess Czivick, who, ac- Vegetable Compound. cording to a current story, fell asleep while waiting in the ateller of a well-known painter. The painter found what I went through during the change the countess so charming as she slumbered that he drew her in that condition. The portrait was a great suc-
