Estacada Furniture

Co. To Move

The I. O. O. F. lodge of Estacada has commenced the erection of an extension of their building and when it is completed will cover both of their lots. The extension at the rear of their present building will be two stories high, the second floor will be fitted for a banquet hall. This has been a necessity for the accomodation of the fraternity. Refreshments after lodge has been very frequent and when these improvements are made will be quite convenient. There will also be a one story building 20x100 feet built along the north side of the building. The entire first floor will be used for a store room. The Estacada Furniture Co. has leased this room from February 1st and expect to occupy it by then. They are crowded in their present quarters but when they get in this new room they will have floor space 30x100 feet all on the first floor. Reed and Sparks are the contractors for the work.

LaHatt sells spectacles and eye glasses.
