\$20,000,000 GAINED

Striking Textile Workers Get Big Advance in Pay.

275,000 Wage Earners Share Raise Negotiations Pending With All Remaining Mills.

Boston-Wage increases aggregat ng more than \$20,000,000 will go into the pockets of New England textile workers in the hext 12 months, according to authoritative estimates of the result of the present upward trend of wages in cotton and woolen mills. On the basis of an annual payroll of \$79,000,000 in the woolen mills, the ncrease there will amount to \$5,600,

receive an advance of \$5,000,000. Fully 275,000 operatives will share in the increase by April 1 if all the mills that have not yet joined the movement follow the lead of the larger concerns. Announcements of contemplated advances affect upward of 200,000 millworkers, while other cotton manufacturers have indicated an

000, while cotton mill operatives will

HEALING ART IN NINEVEH

Medicines and Other Cures Employed There 650 Years Before the Christian Era.

The patient work of the archaeologist enabled people in 1911 to form a very fair idea of medical science as it existed in Nineveh 650 years before the birth of Christ. Of the 20,000 tablets taken from the library of Assur-banipal, the great King of Assyria, who conquered Egypt and Babylonia and established his subjects in the deserted cities of Samaria, hundreds deal exclusively with medicine and contain numerous prescriptions:

"If a man has colic make him stand up and pour over him a decoction of "Or make him crouch down on his

Faith healing seems to be indicated in a prescription which runs "If he is in a weak state, make him bend down, then raise his legs, and say: 'May you get quite well.' Strike him also

on the head fourteen times with your thumb." Many prescriptions deal with the cure of a disorder which was very common at Nineveh, and which seems to have been due to overindulgence in food and drink. "When a man is biljous rub him with an onion, and let

Among the medicines used by the physicians of Nineveh were sesame, live oil, castor oil, syrup of dates, honey and salt. Fasting and massage were frequently ordered.
