If everybody in this community would bank their money right here at home, instead of hoarding, or sending it away, it would help everybody in this community. It is merely SELF PROTECTION and SELF DEVELOPMENT for us to keep our money right here and help ourselves.

We will gladly give counsel to anyone wanting our advice—especially if we can steer you away from investments which might cause you loss.

BEWARE of FAKIRS!

Peddlers, who go about the country hawking eye-glasses, are doing incalculable damage to the American eye-sight. Don't take the chance of ruining your sight by dealing with them.

The whole success or usefulness of a pair of glasses depends upon their proper position in front of the eye. If they are bent or misplaced they are WORSE than useless.

I would be glad to have any and all wearers of glasses call at my office at least once a month that I may re-adjust them. For this I charge nothing, whether I fitted the eyes previously or not.

OUT FOR CASCADE CO.

East Clackamas Co. Boosters
Go to Oregon City.

GIVEN A ROYAL RECEPTION

Speeches Indicate That Division Will
Succeed—West End Delegates
to Come Here Next Week.

Added impetus was given to the movement for the division of Clackamas county, Tuesday night, when sixty representatives of the eastern part, including business and professional men, fruit growers and farmers from Estacada, Springwater, Garfield, Viola, Sandy, George, Dodge, Eagle Creek, Currinsville and other points went in a special car to Oregon City and conferred with the Commercial club and Live Wires of that bustling city.

The East Clackamas crowd was given a respectful hearing by Oregon City and a royal welcome in the social session and lunch that followed the discussion of division. None of the Oregon City speakers came out against division, but said they wanted to consider the subject and examine data. To that end it is likely a big delegation from the Commercial organizations will be here early next week, when the subject will be threshed out and a decision reached. The meeting was very successful and a mutual understanding of the aims and purposes of all was reached.

The special car left here at 1 o'clock, Tuesday and under the guidance of Conductor Fernandez and Motorman "Lucky" Reese made the trip in an hour and a half. The return was made in about the same time.

Reasons for Division.

In the limited space of The Progress extended report of the excellent speeches of the East Clackamas delegation and the Oregon City people, cannot be given.

The "Cascade County" exponents, which included Henry Epperson, Edwin Bates, J. S. McCurdy, W. D. Jellison, Robert Duncan, L. E. Belfils, Mayor J. W. Reed, H. F. Gibson, E. W. Bartlett, A. H. Miller, H. Johnson and R. M. Standish, submitted the proposition that the division would not only do west Clackamas no harm, but would be a benefit; they urged that the two districts had little in common from a business standpoint; that the long distance to be traveled to transact business at the county seat is a hardship and a source of expense; beyond reason. It was also stated that this section had grown so it is able to take care of itself at a saving to the taxpayers.

The Line of Division.

Mr. Bartlett submitted a huge map, showing the proposed line of division which starts at the county line, about three miles west of Boring, runs south to center of S. S. 3 E., east to the forest reserve thence south to the county line. The population is about 8,000; the valuation \$5,316,000.

Two Eagle Creek residents, Gus Burnett and Noah Stingley said they were satisfied without division.

The Oregon City Club speakers, President McBain, Gilbert Hedges, J. E. Hedges, Publicity Agent Eby and Judge Dimick, congratulated the visitors on the spirit they displayed and their fairness in submitting their proposition to the west county people and their plea to be allowed to stand on their own feet. The question merited consideration in a broad minded sense and "if you have the goods we will help you deliver them" they added.

ESTACADA LOSES FIRST GAME

Timm's Cross Club Takes Opening
Game of Baseball 8 to 6—Bronson
Strikes Out 13.

"Blondy" Schwartz, a portside wiggler with the Timm's Cross (why not Water Cross?) team, hugged a horse shoe in the opening game here Sunday and grabbed off the winning end of the baseball controversy 8 to 6. And aside from the first inning, when our athletes aeroplaned somewhat, it was a corking good battle. Neil Bronson, who obliged for the home guard, flung a classy game, one that should have been his, hands down. He breezed 13 of the Cressies, banded one in the slats and walked two, but what really put Neil on the blink was the mixups of his pals in the opening round, when the enemy scored five runs on two hits and three errors. Schwartz fanned five.

The air being cleared, the Estacadians came from behind and evened things up, by the time the fourth inning was over, on clean hitting. In the seventh, however, the

tors forged ahead one and grabbed two more in the ninth, while the locals were getting one.

A fairly good crowd saw the trouble. Cushman umpired like a "profesh" and Bob Standish, manager of the locals was busy as a San Francisco flea. Score by innings:

Estacada, 0 1 3 1 0 0 0 1-6 9 5
T. Cress, 5 0 0 0 0 1 0 2-8 6 3
Batteries—Bronson and Bronson;
Schwartz and Blegg.

Springwater Organizing.

Having produced a great basketball team, Springwater proposes to duplicate, if it can, with a baseball crew. A diamond and grandstand has been fixed up near the store and a good squad is practicing. In the bunch are: J. Parks, capt., Manager Howard Smith, Dobbie, Long, Boylan, Balsizer, Clossner, Bittner, Generowski, Jim Parks and the three Horner brothers.

The boys are to give a dance and oyster supper at Dodge hall Friday night, April 12, and shortly will be ready to give battle to Estacada. The Estacada team gives a dance at the Pavilion next Saturday evening. Everybody should buy a ticket and help the team along.

Springwater Wins Again at Basketball 31 to 21

At the Pavilion Thursday evening, Springwater won over Estacada 31 to 21 at basketball. The visitors showed much improvement over their form when last seen here and the game was hot and rather rough. The first half was a walk-away for Springwater 19 to 6. The locals didn't get into the play. In the second half Estacada braced and lead practically from the start. They won the half 15 to 12. There were not to exceed four fouls called. Tom Morton refereed. Woodie succeeded Earl Schultz in the last half. Wilcox was replaced by Generowski for the visitors. Fellows played a good game against Smith at center, Evans not being in the local lineup.

The three Horner brothers, Captain Kilgore, Wilcox and Generowski played for Springwater; Graham, Douglas, Morton, Schultz, Woodie and Fellows for the locals. A fair crowd was present. The proceeds went to the baseball club.

DEATH CALLS SUDDENLY

A. J. Califf, Succumbs to a
Stroke of Apoplexy.

HE WAS A GALLANT SOLDIER

Served in Regular Army and Philip-
pines and Was Wounded—Had
Been Ailing a Few Days.

While at work on the road near the John Tracy residence, Albert Jay Califf, aged 53 years, was stricken with apoplexy, about noon, Monday, and expired a half hour later at the Tracy residence, whether he was carried by friends. A doctor attended him.

Deceased was a gallant soldier, having served five years in the regular army when a young man. When the call came for volunteers he enlisted and went to the Philippines and in battle was shot through the right arm.

Mr. Califf was born June 23, 1858 in Fulton county, Indiana, and from there emigrated to Nebraska. From Nebraska, after the Spanish-American war, he came to the coast. He joined the Methodist church, when a boy, and was a member until death. For a while he was connected with the Pencil mission in California and held an exhorter's license. The widow and several relatives survive him. He was well known in Estacada and highly esteemed. Funeral was at Mt. Zion church Tuesday, and interment in the local cemetery.
