EAGLE CREEK
Alva Fruman a prominent fruit grower
of this section has just received a large
shipment of small fruit plants consisting
of currants, raspberries, Logan berries
and gooseberries. Mr. Fruman intends
to have his entire place set out for fruit
in the near future.
The new hall is progressing nicely.
The boys expect to give a dance the 27th.
E. E. Elliott took some of his friends
motoring Saturday evening. The party
went to Portland where they saw the
Newlyweds at the Baker. They returned
at a late hour having spent a most en-
joyable evening.

VIOLA
Mr. and Mrs. Burns left for their new
home in Richville, Wash. Their neigh-
bors regret their departure and hope
prosperity may attend them. Mr. Burn's
brother in law, Mr. Spotts has rented his
farm for a year.

There has been a good deal of contro-
versy over the school here, the teacher
not proving satisfactory to many of the
patrons. A meeting was called Tuesday,
at which the proposition was to be thresh-
ed out and some decision, as to the fu-
ture, arrived at.

Director Randolph of the Viola school
district, was in Portland three days last
week on business.

Mr. LaCroy has bought a patent stump
puller.

Bert Mattoon has bought Mr. Kopp's
store and will add considerably to the
stock and begin business in a few days.
Mr. Mattoon was reared in this com-
munity and understands local conditions
in connection with business. He will un-

body wishes him the best of luck.

**Supervisor Anderson
Commends Local School**

The schools of Estacada are given
a neat compliment and endorsement
by C. F. Anderson, supervisor,
who has this to say of them:
"From an experience of many
years with the public schools of
Oregon and other states, I am frank
to say that Estacada has a school
of unusual excellence. Under the
supervision of H. M. James, assisted
by able teachers, the school is
well disciplined and well instructed.
The town has reason to speak high-
ly of her schools."

**Viola School Row is
Due to Reach Courts**

Ed Miller, one of the directors of
the school at Viola, where another
director, F. E. Cockerline and the
teacher, Thomas Lovelace, became
involved in an altercation, was in
town last week. Mr. Miller says
the directors feel for the good of the
district, that the teacher should be
dismissed and have so ordered but
that Mr. Lovelace has hired a lawyer
and proposes to stay, if he can.
The directors believe they have the
authority to dismiss the teacher for
cause, but if not, they want to be
shown. So it is likely the matter
will get into the courts.

**Improvement of Terrace

is also in progress on various lots
and a number of buildings are go-

Cary Bros. are entitled to much
credit for pushing the work which
has given many men employment
this spring. The property is selling
well and as soon as the water main
is finished lawns will be started.

Never neglect any trouble that
can be remedied with glasses how-
ever slight. Thousands of people
suffer from headaches and other re-
flex troubles when a glasses would
make their eye work a pleasure.
There is no mistake more common
than to think that wearing glasses
creates a necessity for wearing them.

Lower Electric Rates!

As a result of economic methods and the ac-
quirement of additional facilities, the **Portland
Railway, Light and Power Company** takes a great
deal of pleasure in announcing to the citizens of
Estacada and the surrounding territory an impor-
tant reduction in its electric light and power rates.
It has been the constant policy of the Company
to give good service at reasonable rates. The
company is more interested than anybody else in
building up a bigger, busier and better Portland,
and it fully recognizes the important influence of
low rates and good service. The new lighting rate
is 9, 7 and 4c per kilowatt hour. Details of this
reduction and the conditions involved can be se-
cured upon application at any of the company's
offices.

IMPORTANT: Several months will be re-
quired to change over the
31,000 accounts which this reduction in lighting
rates will affect. In order that our patrons may
be put to the least possible inconvenience, new con-
tracts will be mailed beginning May 1st. The com-
pany earnestly requests that these be signed, wit-
nessed and returned to the company's representa-
tive in Estacada as promptly as possible, thus
avoiding the possibility of waiting in line at the
office.
