## IMPROVE WATERWORKS

Mayor Recommends Pipe and Tile Over Stubbe Tract.

## COUNCIL OPENS NEGOTIATIONS

May Dig a Second Reservoir--Bids Called For Sewer Pipe and Money Appropriated for a New Sidewalk.

A water pipe and tiling over the Stubbe tract from the intake about 80 rods to the old Warner tract, was recommended by Mayor Reed in a communication to the city council at its meeting Tuesday evening. Alderman Mills the new member participated. Aldermen Underwood and Hawkins were also present.

The mayor was authorized to negotiate with Mrs. Stubbe for right of way. The plan, in addition to the pipe, is to construct a small reservoir on the Warner tract, diverting enough water to it to supply the city; the remainder going over the Stubbe tract as at present.

City Recorder Devore is to advertise for bids for 12 and 16 inch concrete and glazed pipe for the city sewer and the council will meet to act on this in about two weeks.

The council appropriated \$40 to pay for an incline sidewalk between Third and Fourth streets on Main, near the Methodist church.

The light contract with the P. R. L. & P. was ordered signed and bills aggregating \$117 were allowed. About \$56 of this was for fixing up the "free" ditch on Wade street and \$29 for surveying a new road near the Springwater bridge and for vacation of the road along the bluff.

## Bartlett Enjoys Trip In the Middle West

A letter from Attorney E. W. Bartlett, who with Mrs. Bartlett is at Eau Claire, Wis., visiting Mr. Bartlett's parents, states that they are enjoying their trip and stay in Wisconsin. On their way east they ran through snowstorms through Southern Idaho and Wyoming but when they reached Omaha, they encountered fine weather. This has prevailed since.

Mr. Bartlett, who is a good deal of a fan is looking forward to seeing some ball games in the Wisconsin league and says he has already attended a wrestling match. He inquires about the Cascade county campaign and hopes for success. They will leave Eau Claire about May 20 and will likely be in Estacada by the end of the month.

## PUPILS BOOST ESTACADA LANDS

Pupils of Local School Write to Pupils of Similar Grades in Middle West--An Example of Boost.

Prof. James has inaugurated a custom in the Estacada schools, in which pupils of various grades compete in letter writing the successful writer's letter being sent east. The seventh grade letter by Grace Denney has been sent to Mayville, Mich., and the following by Lewis Smith, has been mailed to the sixth grade of Milan, Mich. Letters will be received in exchange:

Estacada, Oregon,  
April 25, 1912.

Dear Friend:

I live in Estacada, Oregon, and I will tell you something of the surrounding country.

The country around here has a very mild climate and in the winter there is little or no snow. We have a good many fine days in mid-winter. It rains a good deal in the winter but most of the time it is just a thin mist or fog, that makes the air moist and clean. In the summer it is quite hot and it rains very little but the nights are generally quite cold and one can sleep without being bothered by the heat.

The soil here is of the finest kind and makes excellent fruit and farm land. The land on the hills is fine for fruit and vegetables. This land produces some of the finest apples and strawberries in the world and also pears, grapes, blackberries, loganberries, plums, cherries, and walnuts. They also have large orchards of prunes which are very beautiful when in blossom.

There is a power plant about a mile from here which furnishes Portland and other places throughout the country with power. Before they built the dam there was an island in the middle of the river which they kept digging down until they reached bed rock, where they sunk shafts and filled it up with concrete. The dam is about eighty feet high and is built so

it is hollow and one can walk right through it. The machinery is also under the dam.

There are two more power plants going up above Estacada and some people say that there will be car and machine shops built in Estacada.

Estacada has a beautiful location in the foot hills of the Cascades on the banks of the Clackamas river, a river which flows from the mountains. It is also situated on a car line and cars run to and from Portland every two hours. The fare to Portland is seventy-five cents, an hour and one-half ride of thirty-five miles.

Estacada is noted for its scenery, the Clackamas river with its high banks and overhanging cliffs and the swift, green water flowing rapidly along is a very pretty sight. If you go on some of the high hills around Estacada you will see Mt. Hood, Mt. St. Helens, Mt. Adams and Mt. Tacoma.

Estacada has a beautiful park; right across from the Hotel Estacada which is one of the nicest country hotels in Oregon. In the park there are swings, beautiful large shade trees, a spring, flowers and other beautiful things.

People come from Portland every Sunday to spend the day in the park.

I will close hoping to hear from you in the future.

Yours Truly,

Lewis Jones.

## ESTACADA COPS GAME 9 TO 1

Tight Contest Gobbled in Eighth When Springwater Blows Up--Result in Doubt up to Fatal Eighth.

Up to the eighth inning, Sunday, fans from Springwater and Estacada were strung up to a high pitch, unable to determine which of the teams would come through. The break came and it was in favor of Estacada, which won 9 to 1. Up to the time Jessica Stubbs applied the wood to the leather for a resonant double, it was 1 to 1 and the opposing rooters were about played out yelling for just one more little run.

Mr. Long, who hurled swill ball up to the eighth was punched for a double by Stubbs, Neil Bronson busted a single and Ennis Townsend a two sacker, whereupon J. Parks, captain, derrick Long and tried it himself. Doc Douglas blew him for a single and Hans Schultz duplicated. Then, after Cap Leviticus whiffed, the balloon went up for fair. The team batted clear around and Stubbs, N. Bronson and Mr. Townsend each had a second crack at the ball. Jessica breezed and Ennis was choked off on a pop fly. Eight runs had filtered over the platter though and it was all over.

### Locals Ragged in First.

Estacada played about as raggedly in the first round, but only one run got by on singles by Smith and Park and a misjudged fly. The locals evened it up in the third on Stubbs' double and Doc Douglas' single.

Eagle Creek Smith flung four innings and got out of a tight hole in the fourth when with the bags bulging and one out he fanned Generowski and Long. Smith breezed seven out of 12 outs, which is going some. Bronson was in good form and two double plays helped him. He and Simmons made one and the other was Douglas to Townsend to Smith.

Springwater has a dandy fine team and will give anybody trouble. Except for one inning they shone, but having it out of the system, they ought to go great from now on. A big crowd of loyal fans and families accompanied them here. A week from Sunday the two teams tangle at Springwater. Fur will fly. Next Sunday the locals play the Keystone Woolen Mill, from Portland. The score:

R. H. H.  
Estacada - 0 0 1 0 0 0 0 8 x-9 9 5  
Sp. Water - 1 0 0 0 0 0 0 0-1 5 5  
Batteries--Smith, Bronson and Bronson; Long, Park and Boylan. Umpire, Anderson.

### Firemen Beat Garfield.

In the forenoon, the Garfield Apple Pickers were doused by the Firemen 17 to 14. Batteries: Henthorn and Adams; Stokes and Krigbaum.

For Sale--Indian Runner duck eggs; 50 cents a setting.

## CO. DIVISION MEETINGS

Campaign for Cascade County on at Garfield Tonight

## SPEAKERS WILL GIVE REASONS

People Everywhere Urged to Come and Discuss Proposition--Meetings to Be Held in all Precincts.

The opening gun of the public speaking campaign for the division of Clackamas county, will be fired tonight at 8 o'clock at the Garfield Grange hall. Speakers will present arguments and data and answer questions and a male quartet will be heard in campaign songs. From now on meetings will be held in every precinct affected in East Clackamas and possibly in other parts of the county.

Speakers will attend the May Picnic of Eagle Creek grange Saturday and address the people. Meetings will be arranged as rapidly as possible at Springwater, Viola, George, Barton, Eagle Creek, Dodge, Boring, Sandy and other points. It is the belief that many who are opposing division or are undecided, will be for Cascade county when the subject is presented, backed by the figures and data that the speakers have collected.

## Rebekahs Elect Delegates and Nominate Officers

At a regular meeting of Centennial lodge of Rebekahs last Wednesday night the following officers were nominated: Mary Smith, N. G.; Mary Eschleman, V. G.; Mrs. Edwin Bates, Secretary.

Mrs. W. M. Yonce and Mrs. E. E. Saling were chosen as delegates to attend the assembly which meets at Pendleton May 21 and J. W. Reed, Charles Hicinbothom and Raney Crawford were selected by the Odd Fellows as delegates to the Pendleton meeting.

Mrs. E. E. Saling has been honored by the appointment as District Deputy President of the Rebekahs. Following the nomination of officers, there was an enjoyable social session.
