### PROGRESSIVES MEET

ly Organized at Chicago.

Question Amicably Adjusted -Committees Appointed.

Negro representation from the South the result of reports that a private had caused friction earlier in the day Japanese syndicate was attempting to in the national committee, but on the control a vast tract about the Lower floor of the convention there was no California bay, long regarded as the best naval base on the Pacific Coast. echo of the fight.

The delegates were at times exploand shouting in their delight at the birth of the new party and three hours later left the building in the same happy frame of mind.

the convention worked .smoothly and efficiently. There was no roll call of delegates, but the delegae section of the floor, accommodating nearly 1100

convention leaders were enthusiastic tonight over the showing in the Coliseum and asserted that no better-looking, more substantial set of delegates ever was seen on the floor of a national convention.

Work of the national committee on contested delegate cases caused a delay of nearly three-quarters of an hour in the assembling of the convention.

During the wait the delegates amused themselves with songs and yells composed for the occasion, while a band near the flag-draped steel rafters and a Grand Army fife and drum corps on the stage vied with each other in playing patriotic airs.

There was a great cheer as Senator Dixon, national chairman of the party rapped for order. This was repeated later, when the call for the convention

some of the advanced ideas of government adopted by the new party and paving the way for the even more

the closest attention throughout. Once he mentioned President Taft, in connection with his approval of the Payne tariff law, and instantly there came a storm of jeers and groans from the crowd. Every few minutes Senator "is that of price agreements of vari-

### JAPAN MAY BE WARNED.

Vigorous Resolution Reaffirming Monroe Doctrine Expected.

Washington, D. C .- The vigor of the terms that the senate shall use in establish a naval base at Magdalena Bay, or at any other point on the American continent, will be the subject of consideration by the foreign committee of the senate.

Within a day or two, it is believed, the senate will be called upon to adopt a resolution stating in unequivocal terms that the Monroe doctrine or the settled policy of the United States requires that no foreign power be thus

Senator Lodge, as chairman of the today in the Coliseum, and while the subcommittee that investigated the setting was attended by all the usual rumor of a Japanese purchase of 4,ceremony and paraphernalia of a Na-tional political assemblage, the actual Bay, will make a formal report to the foreign affairs committee, recommendproceedings were suggestive of a love ing that the United States reaffirm the policy known as the Monroe doc Not a dissenting voice was raised trine in terms that cannot be misun

The senate investigation began as The correspondence submitted to the delegates came into the hall singing and shouting in their calibration in the hall singing disated that the United State Nox inintimation that Japan, as a govern-ment, was behind the attempted purchase or that it intended to make use of the land as a military or naval base.

It is understood that the subcommittee headed by Senator Lodge has found no evidence of the connection of the Japanese government with the attempted purchase of the big tract of land in Mexico.

States clear, however, the majority of the committee will propose that congress declare that this nation will not permit, without a protest, the estab-lishment of any foreign power at a point where it could threaten or danger the safety of the United States.

The subcommittee consists of Sena-tors Lodge, Root, Sutherland, Rayner and Hitchcock.

HIGH LIVING SCORED.

Luxury Attacked By Senator Burto as Main Cause.

Washington, D. C .- Senator Burton, of Ohio, explained to the senate his opinions as to the cause of the present high cost of living. The manifest and important causes, he said, were the "phenomenal progress of recent years, the striking inequality of this progress in different lines of human endeavor and the tendencies to extravagance and waste and to dimin-ish productive energy by a large part

"Neither the Poyne-Aldrich tariff law nor any other similar measure was responsible for the general high prices," he declared, "for the variations in prices have been so very con-Senator Beveridge then made his keynote speech. He spoke for more than an hour and a half, expressing any inference that the change prices has been due to the tariff of 1909 or to any other tariff act."

He exonerated the "trusts" and "large combinations of capital," declaring that a complete monopoly in YOSHOHITO, EMPEROR OF JAPAN of battles therest. irman was given any particular article affords a chance to increase its price, but that the producers maintain an agreement as

ous sorts. It was one of the purposes of the Sherman anti-trust act to pre vent practices of this sort. However, there can be little doubt that this practice still continues."

Another "device" resorted to to eliminate competition, he declared, "was that of hiding behind the patent right." He referred to a recent Supreme court decision under which the 'user of a patented article may be required to buy supplies of a certain make and pay the price imposed.'

New Drug Law Proposed. Washington, D. C .- A bill by Representative Stanley to define more specifically the terms "misbranded," as used in the pure food laws, was reas used in the pure 100d laws, the ported favorably by the house commerce committee. ### declaring that no foreign country shall Mexican Rebel Leader Refuses to Recognize United States.

Receives American Consul Only as American Citizen-Two Americans Found Murdered.

Mexico City-Two Americans have been hanged near Cananea, Sonora, presumably by Mexican rebels. Their bodies were found Thursday and the incident was reported immediately to President Madero by the governor of Sonora. The governor has ordered an investigation. He believes the two men were executed by rebels in order to precipitate American intervention. The victims have not been identified.

Juarez, Mexico - General Pascual Orozco, commander-in-chief of the Mexican rebels, coolly declared that he did not recognize the United States government. He made the remark to Thomas Edwards, American consul here, who called at the rebel leader's headquarters to deliver a message from Secretary of State Knox.

The message from Washington con cerned the treatment of the American settlers in Northern Mexico by the rebels, growing out of the disarming

wards, he said, and to receive him as an American citizen. Orozco accent-To make the position of the United ed the message from the American consul without further comment. Ed-wards then left the room.
