A DANCE AND PICNIC

Garfield Country club to give one, Sep. 14.

RECEIPTS, TO BUILDING FUND

Addition, to increase dancing floor and stage and auditorium to be started this month.

Another social affair which will attract the many friends of the Garfield Country club, will take place, Saturday, September 14, when the club will hold a basket social and dance for the benefit of the building funds. As an incident a huge cake will be awarded to the most popular lady after a vote of those in attendance has been taken.

In the evening there will be a dance, music to be furnished by the club orchestra. Those who attended the annual meeting and dance of the club last month, know they may expect excellent music.

Enlarge dancing floor.
President G. T. Hunt announces that the club, the latter part of the present month, will begin the improvements planned at the annual meeting. The addition of 30 by 74 will be constructed and a pole shed with shake roof, for teams, 16 by 100 feet to the rear of the club house.

The addition will be built at right angles to the present club house, which is 24 by 40. This will give a dancing floor space of 24 by 70 feet, when the wall is removed. To the left the remaining space 36 by 50 feet will be partitioned off with a stage 14 by 14 feet and dressing rooms on each side 8 by 14 feet leaving an auditorium 30 by 36 feet. A porch is to be erected along this section of the addition, 8 by 50 feet. The auditorium may be used by church or schools, or for club entertainments.

Good turnout hoped for.
The club members donate their work and the funds for lumber and what expert labor is necessary are derived from entertainments. On that account it is hoped there will be a good turnout at the coming picnic and dance. The club furnishes free coffee to those bringing lunches and there will be sandwiches for sale to those who don't bring lunch.

Wells enjoys vacation Roger Cary Does Not.

Dr. L. A. Wells went into the mountains, ate camp grub climbed out of canyons by means of poison oak vines, helped round up six deer, tramped miles, was rained on every day and had the time of his life.

Roger Cary rode on cushions all the way to Newport beach, put up at a fine hotel, wore Sunday-go-to-meetin' clothes, used a napkin, lolled around the verandas of the fashionable resort, gazed upon feminine loveliness in the proportion of about three girls to one man, and came home vowing he had a punk vacation.

What's the answer? Doc says he likes roughing it and doesn't care a whoop about the booming surf and sea-side flirtations. Roger says he doesn't either and that goes for both roughing it and breathing sweet nothings in a shell-pink ear.

Dr. Wells put in ten days hunting in the Umpqua country. There were three in the party from Portland, not counting the guide. Deer are thick and the party shot six. The doctor says he missed all he shot at, but he ate Venison until he shies at sight of an Elk.

Ames wins first round Against George Yenke.

Round one of the suit George Yenke has brought against Marshal A. G. Ames, alleging Ames owes him \$10 borrowed money, was won by Ames, Thursday, when a jury decided that a horse against which Yenke had brought attachment, was the property of Mrs. Ames.

Constable Alderman Bill Jones presided as judge and Attorneys Bartlett and Devore were allowed to thresh out the case to a breath-

less finish. The attachment grew out of the suit for \$10, which Yenke claims Ames borrowed of him and Ames alleges was due for a dog. The jury was composed of R. A. Butler, N. M. Tracy, S. A. Gorrill, H. M. James, J. A. Somers and J. C. Tracy. The usual packed house heard the evidence.

Yenke has announced he will take the case to circuit court and the lawyers are preparing all manner of legal arguments.

Heylman retires and Boner Takes Theatre

Mr. Boner for a while, will likely give only Saturday and Sunday evening performances, maintaining the high standard of attractions. If he finds it pays, he may put on daily performances.

Firemen vote sick fund at their Annual Banquet

An accident fund of \$100 was voted set aside for use of firemen injured in performance of duty and a committee appointed to solicit the aid of the city council in maintaining the fund, should it be depleted during the present year, this action being taken at the annual banquet of the department last Monday night.

The affair was held at Bunker's restaurant and about 20 of the members were present. The dinner was excellent the members greatly enjoying the fried chicken which was one of the principal articles of the bill of fare. Marshal A. G. Ames was voted a member and made a speech, boosting the department and telling how he always had longed to be a fireman.

The \$100 set aside is to pay doctor bills and food for a fireman injured in line of duty. The committee to confer with the council is composed of Dick Kimmel, Charles Frazier and A. G. Ames.

PLANNING FOOTBALL

Squad of candidates for Estacada High school.

BASKETBALL AND TRACK TEAMS

Principal Ford looking over pupils with view to athletics. Registration is progressing.

For the first time in the history of the Estacada High school it will be represented on the gridiron this year by a football team. Since the arrival of Principal Ford registration has been progressing rapidly at his office and there promises to be quite a number of outside students. Among them is Homer Harriman of the Lebanon High school, who played on the basketball team last year. Harriman was planning to attend business college but decided to come with Mr. Ford, when he accepted the principalship here.

Practice at football will begin the second day of school and among those who are regarded as likely material for the team are: Hurley Fellows, Bob Morton, Chester Womer, McColey Dale, Kenneth Bartlett, Malcomb Woodie, Milton Evans, Guy Graham, Albert Shankland, "Slim" Henthorn, Emmett Sutterfield and Leo Havers. Candidates must be examined physically by a physician.

Basketball after Thanksgiving.
Basketball will begin after Thanksgiving and the track team will be organized in the spring. The schedule for the football team will be arranged as soon as it is determined whether a good team can be put in the field. The football field will be either in the rear of or in the baseball park.

If the track team shows well in the spring, there will be trips to Willamette O. A. C. and U. of O. A students' association is to be organized with dues each semester for a fund to assist in athletics. Shower baths are being installed in the basement.

ESTACADA BOY, PRIZE BABY

Harold Bronson, aged 3, declared best formed lad in Clackamas county in his class.

Although details of the decision of the Oregon City judges of the various baby contests held in Clackamas county last week, are meager, it is known Harold, the 3 year old son of Mrs. Neil Bronson of Estacada, has been declared a winner and will likely appear in the state eugenic contest at Salem this week. The parents of the lad are at the hop fields near Aurora; the boy is with his grandparents here, Mr. and Mrs. J. F. Lovelace.

Harold is a handsome little chap and exceedingly bright. His father is the well known pitcher of the Estacada team and the boy already knows a good many fine points of the game. He practices ball playing every day.
