May Condemn Route Over Stubbe Tract for Water.

As a first step toward improving the water system of Estacada the city council at a special meeting, Friday night, passed a resolution to begin condemnation proceedings to take the main across the Mary Stubbe land above the intake. Action was taken as a result of the appearance before the council of Prof. F. B. Guthrie, head of the agricultural department of the high school, who told of an investigation the physics class made recently of the system. It was suggested a filter might do temporarily, but the council would like to follow out the plan of using pipe from the intake to a second reservoir to be established above the Stubbe farm.

The council ordered the return to Parker & Wilkinson, saloon men, of \$158, same being for license time still to run when the city was declared dry.

The council met Tuesday to inspect plans and specifications for the new sewer district and the assessors will get busy immediately.

Mayor Reed and Alderman Lindsey, Underwood, Mill's and Hawkins were present at both meetings.

ADDITION NEWS BRIEFS.

Mrs. W. A. Heylman attended the Ladies of the Maccabees banquet at Portland, last Tuesday night.

Judge Samuel White, an orator, will speak for the democrats next Monday night, taking the place of Harry Lane, who is compelled to campaign in Portland.

Notice for License.

Notice is hereby given that the undersigned, Henry Raymond, will make application at the first meeting of the city council of Estacada, Oregon, after November 18, 1912, for a license to sell at retail intoxicating beverages, including wines and malt liquors in the City of Estacada for the year 1912-13. Said sale of liquors to be conducted in a building located on lot 2, block 4, City of Estacada.

HENRY RAYMOND.

Raymond Makes Statement.

To the Taxpayers and Voters of Estacada: If I am granted a license I propose to operate in a building located at the corner of Main and Second streets, known as the Michaels building. I propose to put a partition through the center of the building using the front part as a liquor store and the rear end for a bar with main entrance on Second street, thus avoiding the nuisance of the main business thoroughfare and out of sight of people going to and from the depot. If the license is granted it will add to the city's finances, also avoid a heavy tax, which otherwise will have to be paid and restore all trade that now goes to Oregon City, Sandy and other places tributary to Estacada.

I guarantee to run a first class place.

MAY SUE THE COURT

Mass Meeting of Divisionists Pass Strong Resolutions.

ASK COURT TO RETURN MONEY

This Refers to Sums Appropriated Out of Taxpayers to Fight New County—May Invoke Corrupt Practices Act.

At a mass meeting of Cascade county advocates at Boner's theatre, Tuesday, attended by representatives of practically every precinct in the section, strong resolutions were passed calling for legal advice to determine whether suit may be brought to compel the Clackamas county court to put back in the treasury \$449.05 appropriated to fight division in 1910 and \$143.43 this year.

The story published last week by The Progress had been read by almost every person in the theatre and the resolutions which were reported by George Epperson of Sandy, J. S. Johnson of Elwood and C. C. Miller of Viola, were adopted unanimously. The committee on investigation is composed of prominent ranchers, as follows: J. A. Randolph, Viola; John Starmer, Springfield; George Epperson, Sandy; C. C. Miller, Viola; H. F. Gibson, Barton; Adolph Miller, George and J. Meilki, Elwood. They are empowered, also to determine whether law can be found to prosecute under corrupt practices act both the court and the Oregon City Commercial club members who solicited funds from the court.

J. A. Randolph of Viola was chairman of the meeting and P. F. Standish of Garfield, secretary. Before the county court matter came up encouraging reports were heard from every precinct.

Write in Givens' Name.

W. Givens, who was nominated for justice of the peace at the primary, has been notified his name will not appear on the ballot because he failed to send in an acceptance, after he had been nominated by writing in his name. The law is that a petition should have been circulated for him, thus eliminating an acceptance. He was notified that he had been nominated and supposed that an acceptance was unnecessary. All persons desiring to vote for him, should write in his name next Tuesday.

Grows First Class Corn on Place Across the River

Clark Denny who owns a tract of land across the Clackamas has been experimenting with white dent corn the past four years and has had good success, this season picking over 23 bushels from a half acre, after feeding his stock out of the patch a month.

Mr. Denny brought to The Progress office several stalks each bearing a 9 inch ear of fully matured corn. The stalks were 9 and 10 feet high. He also brought a sample of pop corn which thrives well. Mr. Denny is firmly of the belief that corn can be made a big crop in the Estacada country and next year will plant several acres.

SOCIAL FUNCTIONS.

Men and women dressed in costumes of before the war and so frazzled that a scarecrow would have hesitated before accepting the raiment, thoroughly enjoyed a "hard times party" held by the ladies of the Christian church last Thursday evening at the I. O. O. F. hall. A big crowd took in the cafeteria luncheon served by the ladies and after the tables had been cleared away a grand march was organized, which the judges, W. Givens, Al Lindsay and U. S. Morgan viewed. As a result they picked out the poorest dressed couples who received prizes. Mrs. Al Havens and Edwin Bates won for adults and Thelma Eschleman and Joe Marks for juveniles. Games and singing were other features of the evening's enjoyment.

Mr. and Mrs. C. C. Saling at their home in Currinsville last week had as dinner guests Mr. and Mrs. W. D. Jel-

lison and Miss Harriet Jellison of Portland, Dr. and Mrs. H. V. Adix and G. E. LaFollette.

At the Hotel Estacada Thursday evening Mr. and Mrs. W. D. Jellison and Miss Harriet Jellison of Portland, entertained at dinner Mr. and Mrs. C. C. Saling, Mr. and Mrs. E. E. Saling, Mr. and Mrs. J. A. Somer and Mrs. L. E. Belfils. An hour at cards followed.

The Ladies Aid of the Eagle Creek church held their semi-monthly meeting at the home of Mrs. Boyce last Wednesday. A very pleasant afternoon was spent, nearly every member present and two new ones added to the list. All showed a very lively interest, which promises good for the growth of the society. Officers were elected for the coming year as follows: Mrs. Strahl, president; Mrs. M. C. Glover, vice-president; Mrs. Garrett, treasurer; Mrs. Rose Suter, secretary. The Aid is also planning a bazaar to be held in Wilbern's hall Nov. 22nd. A fine chicken supper will not be the least on the program and everyone will be welcome, from the oldest to the youngest. Efforts will be made to make the affair both profitable and amusing to all. Further notice to appear later.

Paget Makes Speech.

B. Lee Paget, Prohibitionist candidate for the United States Senate addressed a good crowd here Saturday afternoon, in the interests of his candidacy. Mr. Paget made his position on the subject of progressive legislation clear, insisting that he stood not only for nation wide prohibition but for all practical progressive measures, stating his sincere belief that on this platform, he was going to receive a splendid endorsement from the people in the shape of votes.

Beginning Friday, Nov. 1, there will be staff work in all the degrees. Work in the Initiatory degree will be put on Friday evening, Nov. 1. Lodge opens each Friday evening at 8 o'clock sharp. Degree work at 8:30. A large attendance is desired.

O. E. SMITH, Noble Grand.

After the service of one term as County Assessor of Clackamas County, I have concluded to seek the election for the second term. I ask that you investigate my past record and should it meet your approval I would appreciate your support at the regular election in November.

In concluding my first term of office, I take this opportunity to thank you on behalf of myself and corps of deputies, for the many courtesies shown us. We have worked hard to make a fair and impartial assessment of property and have constantly been made to feel that our labor has been appreciated.

Sincerely Yours,

NICK SCHEEL IS AT THE HELM

Catchy Signs Originated by Dr. Adix and Painted by Rev. Browne Advise Need of County Division.

"Our Roads are Rough;
Our Traveling Tough;
Give Us Your Votes,
Please, That's Enough."

Vote 318 X Yes for Cascade County, Less Taxes, Better Roads and Schools and Progress.

Cascade County's prairie schooner with Nick Scheel of Bissel driving an ox team, "Buck and Bright," is now at Portland giving the people of that city a chance to see old time methods of travel and incidentally effectively advertising the county division movement.

The oxen are intelligent animals and obey the line and bitt as well as horses and make their four miles an hour without trouble. Bert Byers is along as pilot and booster for Cascade. The wagon is a typical schooner such as early Oregonians used to cross the plains.

Rev. Browne Speaks Up.

A report has come to the writer that he is afraid and dare not publicly state his opinions regarding the question of license or non license of the saloons in Estacada. That because of the adherence of certain people to the M. E. church, who are supposed to be in favor of saloons, he dare not make a public stand. The writer once and for all states that he intends to vote against license, and will use all legitimate means in his power to prevent same, but does not intend to be used as a "catpaw to pull the chestnuts out of the fire for the monkey." Perhaps when it comes to a real vote, the writer will be found to be as loyal or perhaps more so than his accusers.

Vote for Millage Bill Number 320 X Yes

It provides six-tenths of a mill tax for support of Agricultural College and University of Oregon, giving them permanent support and taking them out of politics. It also provides one Board of Regents, thus solving the problems of co-operation, consolidation, division of courses and economy of management.

It does not increase the average rate of taxation.

It repeals the \$500,000 University appropriation bill.

The Bill is endorsed by Governor West: "This Bill is in the interest of good business and should pass."

By L. R. Alderman, State Superintendent Public Instruction: "Experience in other states shows millage bill principle to be correct."

By Will H. Daly, President, Oregon State Federation of Labor: "No argument can successfully combat the benefit to the state that will follow the adoption of the millage tax plan."

Endorsed by Portland Tax Payers League.

Bill prepared by committee of Governor's Commission, Boards of Regents, and administrative officers of the two institutions.
