Grand Parade, Good Band Races of all kinds

Kirkpatrick Council, Knights and Ladies of Security, who will give a picnic in Estacada park, June 29, extends an invitation to everybody to come and have a good time. See notice elsewhere in this paper. This organization is only a little over a year old but today has nearly 600 beneficiary members.

A pleasant family reunion was held at the residence of F. W. Bates at Garfield last Sunday, the following persons were present: Mr. and Mrs. Edwin Bates of Estacada, Mr. and Mrs. E. W. Howell of Ashland, Mr. and Mrs. E. N. Bates and two daughters of Barton and Mr. and Mrs. F. W. Bates. It had been nearly three years since all had met and a fine dinner and a good time was enjoyed by all.

The 4th of July is near and the strawberry social is nearer, why don't the Ladies Civic Improvement club get busy and have a thistle cutting day before either day arrives. There are a great many weeds and thistles along the sidewalks which do not improve the looks of our little city. Why not all get busy and tidy up along in front of their homes before some one asks you to do it? Let us try to have a clean city to entertain our visitors.

As a result of the May examination of eighth grade pupils in the county schools, only 137 out of 394 received diplomas that will admit them to any high school in the state. 154 were "conditioned" and will have to take examinations in one or more studies in June or September. That but a third passed is said to be due to the fact that the questions were very hard but fair. In the last year of the grade schools, it seems that an effort was made to teach the pupils too much of subjects that are not of practical use. However, the writer is not posted on the subject and can not say how much truth there is in the above statement. Pupils of the Estacada schools who passed the examinations are George Hicks, Dora Currin, Sam Barr, Gladys Townsend, Joseph Demoy, Paul Frazier, George Mathewson, Dorothy Miller, Nettie Woodle and Grace Denney.

Glorious Fourth

That Estacada will have the greatest fourth of July celebration in its history is now an assured fact. All of the committees are having excellent success and much interest and enthusiasm is being manifested by all citizens. The parade promises to be a most elaborate affair and many surprises are in store along that line. The committee on music has secured the famous Kreidt band and orchestra of Portland to furnish the music. This band is a celebrated one and it was necessary to sign a contract for a large amount in order to secure their services. The base ball management has about closed a deal with the Brooklyn Greys, said to be the fastest aggregation of amateur players in the city of Portland, to play against the local team. The concession committee reports everything in their line progressing and that they will have everything from a doll rack to a human roulette. One thing this paper has been especially requested to announce is that no intoxicants of any description will be tolerated in or around the dancing pavilion and there will be enough special police to enforce this order. So if you want to celebrate the day attending a good clean celebration, come to Estacada.

Three children of Mr. and Mrs. Leyton Reiland who live at Wilson hill, have been very sick with scarlet fever, the eldest boy being especially in a bad condition but he as well as the other members are convalescent. Dr. Adix is the physician in attendance.

W. F. Cary and Miss Val Ecker went to Seaside Saturday where they joined Mr. and Mrs. Pyle for an outing. The two former returned Monday but Mr. and Mrs. Pyle will not return until the last of this week. They report a most enjoyable trip.

EVANGELISTIC MEETINGS

The Special meetings under the direction of Rev. T. L. Jones, which began at the Methodist Church last Sunday will continue every night this week. Two services on Sunday at 11 A. M. and 8 P. M.

Mr. Jones is an eloquent and interesting speaker and has much experience in evangelistic work. Services begin at 8 P. M. every night. Everybody invited to attend.

HAS LEG BADLY CRUSHED

Arthur Howard a young man employed by the Otto Ketch saw mill company at Dodge met with a bad accident Wednesday. While hauling a load of logs the team he was driving commenced running and in some way his leg got fast between the logs and the bones were badly crushed. He was at once taken to this city and placed under the care of Dr. Adix who took the young man to a hospital at Portland. The injury is a very serious one and Mr. Howard will be fortunate if he is not crippled permanently.

Good Time on Sunday, June 29th

Kirkpatrick Council No. 2227, Knights and Ladies of Security, will entertain members and the public with dancing, athletic games, etc., at Estacada Park. The finest orchestra in Portland has been engaged for this special excursion and picnic, and plenty of refreshments will be sold on the grounds. Admission to dance 25 cents. Come and spend the day in Estacada, the beautiful city on the Clackamas River. Advertisement.

SCHOOL ELECTION

Unusual interest was shown in the election of school officers at the school election held Monday night. Ninety nine ballots were cast for choice for candidates and eighty three ballots at the election. The primary vote stood Harkenrider fifty one, Demoy forty eight. The vote for director was Demoy forty three, Harkenrider forty. For clerk the vote stood J. A. Somers forty, W. H. Holder forty three. The present board is L. E. Belfis, J. W. Reed, A. Demoy and W. H. Holder. Mrs. S. E. Bates the retiring clerk refused to be a candidate for re election. Had she allowed her name to be placed in nomination she would have in all probability been elected by a unanimous vote as she has made an excellent official.

Died

Mrs. Anna Hunt, wife of John Hunt died Tuesday evening at her home south of the river. Deceased was born in Indiana seventy-eight years ago. She moved with her husband to Oskaloosa, Iowa in 1847 and in 1903 came with the family and settled in Estacada where she has made her home except when she and her husband returned to Iowa and remained about a year.

Mrs. Hunt was the mother of seven children four of whom survive her, viz. Ed. Hunt and Mrs. Olliver Shock of this city and two sons who live in the east. No definite funeral arrangements will be made until after the arrival of her son, James Hunt from Oskaloosa, Iowa who is expected Wednesday night or Thursday morning. The deceased had been a sufferer for about fifteen years but had passed the allotted period of three score years and ten. The aged husband and children have many friends here who extend their sympathy to them in their sorrow.
