#### Local News

What's the matter with Estacada? An effort is being made to divide the voting precincts.

Mrs. W. K. Haviland visited in Portland Saturday.

C. W. Devore transacted business in Portland Saturday.

Miss Mable Fanning visited friends in Portland Sunday.

Warren Barr was home from Portland over the Sabbath.

Rev. R. L. Dunn returned to his home at Gladstone yesterday morning.

Mrs. J. A. Somer has invitations out for an "At Home" this afternoon at 2:30.

Mrs. Carl Cary went to Portland Saturday to visit her mother who is in very poor health.

G. H. Lichthorn has been making some improvements on the interior of his store building.

Mrs. Neil Bronson will be employed in the Cary Mercantile Co. store until after the holidays.

The High School basketball team go to Forest Grove Saturday night to play the high school boys at that place.

Mr. and Mrs. I. D. Wright have rented the McCurdy residence on the hill and are getting ready for housekeeping.

Mrs. Frank Ewing returned Tuesday from California where she was called a few weeks ago by the death of her father.

Edward Shearer of Garfield had some fine birds at the Portland Chicken Show and carried off some of the best prizes.

Mrs. N. M. Stephenson who has been assisting with singing at the special meetings at the Christian church left yesterday morning for her home in Portland.

Mrs. E. H. Kellogg and sister Mrs. Lilly Oatman, who is here from Fossil, Ore., visiting at the Kellogg home, went out to Garfield Tuesday to visit relatives.

Mrs. Fred North has been spending most of her time during the last few days at Oregon City, where she has been caring for her sister-in-law, Mrs. Mayfield, who has been very sick.

The Masons elected new officers last week and they are as follows: W. M., O. E. Smith; S. W., C. W. Devore; J. W., F. G. Robley; Secretary, Wm. Dale; Treasurer, E. D. Allen.

Landlord Laury was in Portland last Friday to represent one of the best hotels in the state at the Hotel Men's convention held there at that time. Estacada may well feel proud of her hotel.

Tuesday morning Lloyd Saling fell on the ice near the school house, striking on his head. He was rendered unconscious by the fall and a physician was summoned.

Later he was taken to his home northwest of town and is getting along nicely.

The first basketball game of the season last Friday night called out a large audience and the playing was interesting from start to finish, even if our boys did get beat, as they expected they would. The score was 28 to 20 in favor of Portland Academy.

The protracted effort at the Christian church is considered the best the church has experienced for some time. While there were not very many new conversions, yet the members of the church and many others interested feel that the meetings which have been conducted there for several weeks, have been of much assistance spiritually to all.

The meetings closed Sunday night.

A contemptable act was perpetrated at the Estacada billiard parlors one night last week, when some fellow took his jack knife and maliciously slashed the felt on one of the pool tables, all along one side. Mr. Kellogg discovered the damage the next morning and has pretty good suspicions of the guilty party. A man who would do such a sneaking trick, would steal a horse.

#### FOOTBALL BOYS ENTERTAINED

Tuesday evening at the home of Mrs. E. W. Bartlett the High School football team was entertained by Mrs. Bartlett and Mrs. Morton. The members of the team and Professors Ford and Guthrie arrived promptly at 7 P. M. and the spacious dining room, gayly decorated with pennants and school colors, was the scene of merriment and goodfellowship. During the repast toasts were responded to by Professors Ford and Guthrie, Messrs. Fellow, Graham, Bartlett and Morton. Captain Elect Womer, of the 1914 season responded in a neat speech after his election. Prof. Ford was the recipient of a fine watch fob presented by the team as an appreciation of his work as Coach for the past season.

#### COMING! COMING!

It was suggested by many Estacada people that a concert be given by Mr. and Mrs. Aue, Miss Edith Chapman and Mr. Fred Horner here in Estacada for their own benefit. These musicians have played during the past few months, on various occasions in Estacada, without remuneration. Now they have decided to give a concert in Estacada on Wednesday evening, Dec. 17, at the Family Theater and it is hoped that the people of this vicinity will show their appreciation, by greeting them with a packed house. A very interesting new program has been worked up, which will appeal to all music lovers.

#### BASKET BALL

One of the best basket ball games of the season will be played at the Pavilion this Saturday, Dec. 13th. The opposing teams are well matched. The Estacada Commercial team will play the Y. M. C. A. Spartans, the crack Y. M. C. A. team from Portland. The game will start at 7:30 sharp and there will be fast playing from the sound of the whistle. Other games are being scheduled—the next being with the Mac Laughlin team from Portland, which team recently played the Silverton team, acknowledged to be one of the best teams in the state. Silverton, Oregon City, Gresham—in fact any team in the state will be given a chance with the Estacada C. C. team, should they so desire. It is rumored that there might be a series of "double-header" games Saturday evenings. The Estacada High School and Commercial Club teams both playing their opposing teams the same evening. This arrangement would be a money saving and very probably a money making scheme, for there are many who would attend such games who would otherwise not attend a single game. The games would start immediately after the last "movie" show and there would be ample time to get the last car. With the class of games intended, Estacada and vicinity will indeed have a rare treat in basket ball.

Not to be outdone by New York City, Portland and some other small towns, Estacada is going to have a Municipal Christmas Tree. The tree, which will be a large one, will be placed in the center of Broadway and lighted with hundreds of electric lights. There will be music and a liberal treat for all the boys and girls who may come to see the tree. A. E. Sparks is at the head of the enterprise and is receiving liberal donations. Every resident of Estacada may feel a proprietorship and can take an active interest. The sentiment which inspires such a project is beautiful and in harmony with the spirit of Christmas tide.

The Progress expects to have some interesting school items hereafter.

Preparations are being made at both churches for a Christmas program and other festivities.

The Masons and the Eastern Star's will have a joint installation and banquet on Dec. 18. The banquet supper will be at the Estacada Hotel.

The Recital Tuesday evening at the Family Theatre, given by Mrs. Stephenson and Mr. Dunn, was very well patronized and the entertainment seemed to give good satisfaction. In the musical numbers Miss Edith Chapman was the pianist.

There will be a big dance at Cogswell's hall at Eagle Creek, on Christmas Eve. Everybody invited.

The firemen met last week and elected new officers. The Chief is Fred Jorg, Assistant Chief, Willis Mayfield; President, E. B. Byers; Vice President, John Osborn; Secretary, B. R. Kimmel; Treasurer, J. V. Barr.

The committee appointed by the president of the C. I. C. for the next dance, which is to be held Christmas night, is composed of Mrs. A. K. Morton, chairman, and Mesdames Fraizer, Evans, Standish and Reed to assist her. It is needless to say that they have already commenced to get busy.
