The Gun Club had a practice shoot Saturday afternoon.

L. E. Belzil went to Portland Saturday and remained over the Sabbath.

Mr. and Mrs. "Bob" Standish entertained a company of friends last evening.

Mrs. W. S. Pyle pleasantly entertained a number of lady friends Friday afternoon.

Irving Dodge was home from Boring Friday night visiting his parents at River Mill.

Paul Womer returned Thursday from San Francisco where he has been taking a course in linotype work.

Mrs. W. F. Cary came up from McMinnville, Oregon, Sunday to visit at the Progress home until Monday morning.

Miss Mable Fanning has gone to Portland to remain until the spring millinery season opens, when she will return to the Dale store.

Elder M. H. Cook of Vancouver, is holding revival services at the Howe building, which is used by the Reorganized Church of Jesus Christ of L. D. S.

H. P. Matoon, son of W. H. Matoon, died at the home of his father in Estacada, Tuesday night. We understand that Mr. Matoon has been in poor health for several months.

A large number of blooded chickens were stolen from Ed Allen one night last week. The Progress is truly sorry that people who would take things that don't belong to them, live in the community, and especially chicken thieves.

When Chas. Carson was coming down town last Saturday from his home on the hill, he slipped on the steps and falling broke the knee cap on his right leg. He was taken to a physician immediately and the injury was found to be a very bad one, probably necessitating an operation in a few days. This injury is one that will probably lay him up for some time.

Frank Thomas killed a cougar on the T. Vocum place last Thursday, two miles from Estacada. It was not a very large specimen but was large enough to do considerable damage before he was shot. It has been known for some time that "his majesty" was in that neighborhood, but not until after he had killed 12 or 14 head of hogs for Mr. Vocum, did they get him.

The Progress was in error last week when it said that Mrs. W. A. Heylman had gone to the Portland cat show. She went to Seattle to attend a show of this kind, under the auspices of the A. C. A. She had with her Omar Ben Sufi and Zim Yagg Sufi, both winning first prize blue ribbon and Omar Ben Sufi red white and blue winner, also fourth best cat in the show. There were only twelve Persian winners in the show. Omar Ben Sufi is a Persian Tabby.

C. W. Devore was a visitor at Salem Saturday. He was up in the dome of the capitol building when the wind blew down a couple of flag poles and otherwise made things lively around there for a time. Saturday was an unusually windy day in many places in the state and there was some damage done. While the wind blew a little more than usual at Estacada, and people in general complained of the conditions, to the editor, who is an old Nebraskan, it seemed only a gentle zephyr.

Tomorrow night Estacada High School will be the scene of the second conflict of our debating teams. This time the Negative team will stay home and debate the Oregon City Affirmative, which Estacada's Affirmative team will go to Newberg and debate their Negative team. The debate tomorrow night will be by two altogether different teams from those that debated here January 13th. Everyone should hear this debate because we are going to WIN.

Christian Church News

Mrs. Clara G. Esson, of Forest Grove, Oregon, State Bible School Superintendent for the Christian Churches will occupy the pulpit of the Christian Church at the eleven o'clock hour. She will also be present for the Bible School session beginning at 10 o'clock and it is hoped that every member of the Bible School and Church will be present at both of these services. There is no better speaker in the state of Oregon than Mrs. Esson and no one is better equipped for Bible school work and her messages are always helpful and inspiring. It is hoped that a large audience will greet her. We extend a special invitation to all friends of Bible School work to hear her.

W. Givens, Pastor.

M. E. Church News

There will be preaching services in the Methodist church, Sunday evening at 7:30 P. M. Rev. James Moore, district superintendent of Salem district, will preach the sermon. All are invited to attend.

C. B. Rees, Pastor.

The Ladies' Aid of the M. E. church will hold a basket social, Saturday evening, Feb. 14, at the C. I. C. rooms.

Dr. Morse also tests eyes

and fits glasses. Office over drug store.

Paul Womer went to Oregon City Monday to operate a linotype machine in the Courier office for a short time at least.

At the meeting of the C. I. C. last week, it was decided to change the meeting days from Wednesday to Saturday. Next meeting Saturday afternoon, Jan. 31.

Tuesday our friend Mrs. B. O. Boswell brought to this office a bunch of flowers, gathered in her own yard. They consisted of rosebuds, violets and other small blossoms. The grass is green and in some places the pussy willows are coming out. Montana, Nebraska and Iowa would sure have to go some—if our readers will pardon slang, to beat that.

Fruitgrowers Attention!

A. C. Goodrich, District Fruit Commissioner, accompanied by Inspector O. E. Fraytag, and the promise of other good speakers, will address the people of this community on Saturday, Jan. 24, at 2 P. M. at Boner's Theater.

We understand that this meeting is a preliminary step toward cleaning up the old orchards in this section and farmers and fruit growers generally will do well to attend and learn what action the Fruit Commissioner proposes to take. In view of the recent cleaning up of a 40-acre orchard in Multnomah county by the axe method, there will no doubt be keen interest taken which it is hoped will be demonstrated by a large attendance. Every one turn out.

City Council Meeting

The city council met Monday, with all members present but Mr. Straight. A few bills were allowed and the balance of the time was spent in discussing the proposed extension of the sewer system. Nothing was done about it however, and the question will still be open for discussion at the next regular meeting.

The doubleheader basketball games Friday night terminated in the winning of the first game from Parkplace by the first High school team of Estacada, but Dodge carried off the laurels in the next game. The score was, Estacada High 28, Parkplace 14; Estacada second High, 16, Dodge 19. The Saturday night game was won by Estacada by a score of 29 to 24. The contest was between Bellwood and Estacada Commercial Club teams. There will be no games this week.

Oregon City Still "Sore"

The Oregon City High School sent a very fair team of football players to the despised town of Estacada one day in November last. They were defeated by a superior team by the score of 12 to 0. It was really 18 to 0, but Coach Ford let the other touchdown go rather than have a scrap. The coach of the Oregon City team admitted that the team was beaten in every department of the game, but the boys were anything but good losers, that is, were not sports. Result, that school refuses to play Estacada's basketball team. Well, we presume it is not the first time would-be sportsmen have shown the material of which they are made.
