BE ONE OF THE MANY PRESENT AT THIS MEET

The big booster meeting which will be held in Estacada on next Saturday, Feb. 21, commencing at ten in the forenoon, will be some meeting and don't you forget it. Not only will the cannery question and "good roads" be discussed, but other propositions may be considered. Even if no final conclusions are reached or any plan matured, the meeting will not be in vain for by what the other fellow says we may learn. But it is the general expectation that much good will be accomplished, and the community profit thereby. Everybody invited, so come.

Ladies' Aid Social a Success

The Ladies' Aid of the M. E. church had a good attendance at their box social at the Civic club rooms Saturday night. Quite a number of boxes were put up and sold to the highest bidder, H. M. James acting as auctioneer. These boxes were all furnished by young ladies of the town, with the exception of one, which belonged to Mrs. Boswell and as usual was the most artistic and beautifully made. It also commanded the highest price. Preceding the sale of boxes, a short program was given, consisting of violin duets by Rev. Rees and O. C. Smith and a few recitations. A lunch was served cafeteria style, by the ladies, also hot coffee furnished to all who wished it. A fish pond created no small amount of amusement, which was conducted by Messrs. Wm. Dale and M. Evans. Besides this, home made candy was sold to those with a sweet tooth. Everybody had a good time and the general wish is for a repetition of such events quite often. Proceeds from the social amounted to \$30.

Civic Improvement Club

One of the most important as well as enjoyable events in the history of the C. I. C. of Estacada, was the "Rally" meeting Saturday afternoon. Nearly every member of the club was present and as a large number brought a new member the club room was well filled.

The meeting was opened by the president Mrs. Sparks and roll called. This was followed by the regular order of business, after which Mrs. Sparks in a most pleasing manner gave a short address in which she gave a brief history of the club and explained its object. She said it was what its name implied, civic meaning "pertaining to a city" and this club was organized to improve our little city. It was not a social club, a card club or a dancing club. In order to raise money, the easiest methods were employed, hence the dances, which seem to be the most popular amusement wherein young people from the surrounding country might participate. The writer might add, that under the auspices of the C. I. C., these dances are conducted in a most respectful manner, which otherwise might not be, if left to the public in general to conduct.

After Mrs. Sparks' remarks the secretary read the by-laws and constitution and then a recess of fifteen minutes was taken for the registration of new members.

While this was going on, the entertainment committee had cleverly planned a word spelling contest by way of amusement, which caused much merriment and resembled a bargain counter scramble in some large city. Mrs. Clyde Ecker captured the first prize, a handsome valentine, while Mrs. Butler enjoyed the distinction of receiving the "booby."

The meeting again being called to order, it was found that 18 new names had been added which now makes an enrollment of 50 members.

A social hour followed at which time the committee of five ladies, designated by white aprons covered with red hearts and cute little caps which made them charming to the

extreme, served a most tempting lunch.

The club room was gaily arrayed for the occasion with quantities of small hearts artistically strung across the room and other St. Valentine appointments.

The next regular meeting, Feb. 28, will be "library day."

The Estacada Fair
The Estacada Fair Committee is receiving many favorable comments on its policy of going ahead and making a live fair here next autumn. Several have already signified an intention of entering cows for the dairy cow test. The committee is anxious to hear from more of those interested.
