ALIKE TO YOU

but not to your horses. Give them some of ours for a change and see how they will eat it much more greedily than they have been attacking their old fodder. Good feed means good feeding and as a horse owner you know that means better horses in every respect.

LESS DYSPEPSIA NOW —HERE'S THE REASON

The fact that there is less dyspepsia and indigestion in this community than there used to be is largely, we believe, due to the extensive use of Rexall Dyspepsia Tablets, hundreds of packages of which we have sold. No wonder we have faith in them. No wonder we are willing to offer them to you for trial entirely at our risk. Among other things, they contain Pepsin and Bismuth, two of the greatest digestive aids known to medical science. They soothe the inflamed stomach, allay pain, check heartburn and distress, help to digest the food, and tend to quickly restore the stomach to its natural, comfortable, healthy state. There is no red tape about our guarantee. It means just what it says. We'll ask you no questions. Your word is enough for us. If Rexall Dyspepsia Tablets don't restore your stomach to health and make your digestion easy and comfortable, we want you to come back for your money. They are sold only at the 7,000 Rexall Stores, and in this town only by us. Three sizes, 25c, 50c and \$1.00. Estacada Pharmacy, Estacada, Oregon.

C. S. Bard was here from Portland Friday and called at this office to say that he was going to move to Farmington, Wash., to again engage in farming. This move is regretted by a large number of friends of the family in this vicinity.

Mrs. Wm. Kurasch and sister, Mrs. Simmons, were called to Portland last week on account of the death of their sister, Mrs. Roy Gilbert. Mrs. Gilbert was quite well known in Estacada where she resided at one time, being employed at the Cary Mercantile, and had many friends here who were grieved to hear of her sudden death. The Progress extends sympathy to the bereaved family.

The moving picture entertainment at the Family theatre Friday night for the benefit of the football boys of the high school, was well patronized and the proceeds amounted to enough over the expense to purchase sweaters for the boys. After the picture show which consisted of the "Battle of Gettysburg," pupils of the high school put on a burlesque play entitled "Smythe vs. Smith." Each one of the players did his and her part well and were heartily applauded by the large audience.

SECOND BOOSTER MEETING SATURDAY

The Progress again announces that the second Booster Meeting will be held in Estacada on next Saturday, March 7, commencing at ten in the forenoon. Be on hand early and don't miss any of it. The committee will make a report on the cannery proposition and as an added attraction, Prof. C. I. Lewis and — Brown of the Oregon Agricultural College will address the meeting concerning the subject.

At two in the afternoon the annual pruning demonstration will be in the orchard of W. R. Ried at Garfield.

C. I. C.

At the regular meeting last Saturday afternoon, which was also library day, the response for book donations was liberally responded to and 88 books were contributed as a starter towards a public library for Estacada. It is understood that the M. E. church people will donate 75 or a 100 volumes which will also add much to the library.

Several questions of importance were discussed at this meeting, the most important being that of purchasing the building on the corner west of the bank for permanent headquarters. This property can be secured at a reasonable price on account of a mortgage foreclosure, and with some improvements would make a good location for club purposes as well as the public library. A committee composed of Messdames Jess M. Bartlett, Carrie L. Adix and M. H. Evans was appointed by the president, to get terms, cost of repairs, etc. A special meeting will probably be called to act upon the question. A recess of fifteen minutes was given and all the club ladies had an opportunity to look over the property.

It was decided by a vote of the club to continue with the monthly dances and an advertising committee composed of Messdames Irene Cary, Josephine Somers and Lena Dale was appointed. The committee that will have charge of the March 28th dance is Messdames Minnie Ewing, Jess M. Bartlett, Nellie Curriu, May Lovelace and Anna C. Allen.

An entertainment will also be given sometime this month for the benefit of the club, and the committee on entertainment is Messdames Givens, Jorg, Boswell, Smith and C. T. Ecker.

Mrs. R. W. Cary Entertains

Mrs. R. W. Cary was the charming hostess to seventeen lady friends Friday afternoon at her attractive home. Most of the guests did fancy work, but by way of diversion, the hostess had each one write a telegram commencing each word with the letters contained in the word Longfellow. The telegrams were read later and occasioned much amusement for their original composition and clever arrangement. Following this exercise, the hostess realized the necessity of a stimulant for the over-worked brains, and immediately served a delicious course luncheon. She was assisted by her mother, Mrs. W. R. Stokes of Portland and Mrs. W. S. Pyle. The hostess also favored her guests with vocal selections, rendered in her most delightful manner, during the afternoon.

Fair Date Chosen

At the second meeting of the Estacada Fair Committee it was decided to have the fair on Sept. 8 and 9. As the date for the County Fair is to be Sept. 16 to 20, this will give ample time for winning exhibits to be sent to Canby. To help defray some of the necessary expense involved an admission fee will be charged, 15 cents for adults, ten cents for children, 12 to 15 years inclusive. Children exhibitors and those under 12 free. Now is the time to start things growing—seeds, chicks, pigs and stock. We want to be able to sing, "Everybody's Doin' It."

Pound Supper

Largely Attended

The Pound supper given by the Ladies' Aid of the Christian church last Saturday evening, proved to be a decided success in every way. There was a large attendance and everybody thoroughly enjoyed the occasion. The weighing of those who partook of the splendid supper prepared by the ladies, caused very much enjoyment, as they paid according to their weight. The heaviest man and woman and the lightest man and woman prizes, which was a free supper, was won by J. W. Reed, Mrs. Milt Marshall, Fred North and Mrs. Charlie Bronson. An orchestra furnished music all evening and the young people played various games. The proceeds amounted to \$38.00, with only a small expense.

Prune Growers Hold Meeting

Prune growers of the Estacada Fruit Growers' Association had a meeting Thursday. Mr. Copley, of the Willamette Valley Prune Association, gave an interesting talk explaining the pooling system of selling prunes and giving the prices received for 1913. After a general discussion, those present decided to pool for the coming year with the W. V. P. A. which was accomplished by the E. F. G. A. buying one share of stock in the W. V. P. A. Those joining were C. H. Deming, Walter Shuman, P. H. Wagner, Chas. Duncan, H. D. Traff, F. W. Bates, Thomas &

Butler and P. F. Standish, and any one else may do so by applying to the E. F. G. A. whether members or not.

M. E. Church News

Special revival meetings will be held in the Methodist church, beginning Sunday, March 29, Rev. Wm. Parks and wife of Seattle, Wash., will be the evangelist.
C. B. Rees, Pastor.

Hatchet Party

The first social affair of the Mutual Improvement Society proved fully as successful as the more serious meetings of the past few months. The club members were most graciously received at the M. E. parsonage last Wednesday by George and Martha Washington (the Rev. Rees and Mrs. W. S. Pyle) who, with Mrs. J. W. Reed, constituted the reception committee. Various games, such as a President identification contest, original poem competition and cherry estimate were first played. Music and refreshments both dainty and appropriate completed a very pleasant evening. Great credit is due to the reception committee for the manner in which they conducted the inaugural entertainment of the club.

The Progress was requested to again ask for contributions to the Rummage sale. If you have any article which you cannot use yourself, but would do someone else some good, give it to the C. I. C. rummage sale.
