ALL FEED MAY LOOK ALIKE TO YOU but not to your horses. Give them some of ours for a change and see how they will eat it much more greedily than they have been attacking their old fodder. Good feed means good feeding and as a horse owner you know that means better horses in every respect.

THIRD BOOSTER MEETING TO BE HELD

The Third Booster Meeting has been called for Saturday, March 21, commencing at ten A. M. sharp. The committee will be ready to report and the matter of raising the necessary capital will be the primary issue before the convention. This meeting will be the most important of all for before it adjourns it will be known for a certainty whether a cannery will be built or not. So every progressive citizen in East Clackamas should be present.
It would be an awful big boost if a number would call at the Progress office within the next week and personally pledge themselves to take one or more shares in the company.

The Progress has enlarged—for a time at least.
