THIS STOMACH REMEDY HELPS YOUR FRIENDS

Almost every day some grateful person comes into our store and tells us of benefits received from the use of Rexall Dyspepsia Tablets. Knowing how much good they have done others and knowing what they are made of, we feel sure they will help you. So great is our faith in them that we urge you to try them entirely at our risk, with our personal promise that if they don't do all you expect them to do and make your stomach comfortable and healthy and your digestion easy, we'll hand back your money.
We couldn't endorse anything any more strongly than we do Rexall Dyspepsia Tablets. Containing Pepsin and Bismuth, two of the greatest digestive aids known to medical science, they soothe the stomach, check heartburn and distress, promote a natural flow of the gastric juice, and help regulate the bowels. Remember, if they don't make your digestion so easy and comfortable that you can eat whatever you like whenever you like, we want you to come back and tell us and get your money. Sold only at the more than 7,000 Rexall Stores, and in this town only at our store. Three sizes, 25c, 50c and \$1.00.

ATTENTION! SATURDAY MEETING DETERMINES FATE OF THE CANNERY

Yes, commencing at ten o'clock next Saturday morning, March 21, the Third Booster Meeting will be called to order and before it adjourns it will be known whether this community will go forward or stand still; whether it will invite prosperity in or let the present unsatisfactory condition prevail.
As should every fruit raiser and gardener attend, so should every business man in Estacada be present. The farmers are anxious to ascertain how business houses they are patronizing line up.
A strong pull, a united pull, at Saturday's meeting and the Cannery will be a reality.

ALL FEED MAY LOOK ALIKE TO YOU
but not to your horses. Give them some of ours for a change and see how they will eat it much more greedily than they have been attacking their old fodder. Good feed means good feeding and as a horse owner you know that means better horses in every respect.
