## Nation's Policy Peaceful

New York-Japan's policy of making backward nations advance with civilization for the general benefit of Sweeping Order Enforces Strict Pro-the evolution of society was explained here by Dr. Shoshuke Sato, who as-serted that there was no danger of Japan's assuming an aggressive attitude towards countries which kept up with the world's progress. Dr. Sato is Japanese exchange professor to the United States under the Carnegie Endowment for international peace. He spoke at Columbia university in defense of the attitude of Japan towards Korea and Manchuria. He said there was no likelihood of hostilities be-

tween Japan and America.
"We think it our right and duty, said Dr. Sato, "to develop the natural resources and to introduce modern civilization into Korea and also into Southern Manchuria within the jurisdiction of Japan. But we shall never enter into any international complications in the Western world arising out most noteworthy victories ever won by fornia land legislation. This can be settled amicably by the two friendly nations.

"We shall always look for peace and friendship from the Western world, and especially do we look for peace from across the Pacific; the peace and ed by the intelligence of your people. If there are some sore spots, they will

#### Garrison Completely Routed After Week of Hard Fighting.

Rebels Lose Heavily; Villa Thinks Federal Loss Almost Total Villa Feeds Hungry.

Juarez, Mex.-Torreon fell complete ly into the hands of the rebels at 10:20 o'clock Thursday night, according to announcement made here by General Venustiano Carranza.

The news was first announced to the world when the bugler in front of Carranza's residence blew the staccato notes of victory. The paean, Car-ranza said, was sounded even before it was heard in Torreon, Villa delayng out of compliment to his chief.
The meager bulletins, excitedly announcing victory after the bloodiest series of battles known to modern Mexico, said that Villa captured a large number of prisoners and that the fleeing remnant was being pur-

With Torreon at last completely in his hands, General Francisco Villa was already preparing next day attacks on Monterey and Saltillo. the meantime his men were doing their utmost to get in food supplies and make the city habitable. A thorough cleaning up was urged, if a pes-tilence was to be avoided. The inhabitants were on the verge of star-

vation. Considering the number of men en gaged in the past 11 days' fighting the losses were enormous. Of the rebels 200 were killed in Sunday night's fight ing alone, and it was estimated 500 federals were slain and 1000 wounded the same day. Villa put the number of rebels killed after his men got in-
