James F. Nelson

James F. Nelson, republican candidate for the nomination of treasurer of Clackamas County, has been a resident of this county for over 35 years. He has served the county as assessor and while working in that capacity, made the tax rolls, which would assist him greatly in doing the work of the office economically, as the treasurer has to collect the taxes. Being a book-keeper of six years experience in a large merchandise store, he would be capable to handle the books of the office. If nominated and elected he will try to conduct the office in such a manner as will give satisfaction to tax payers of the county. For the past 25 years this office has been given to old soldiers and as Mr. Nelson is an old soldier, this fact would make him eligible to the office. Paid Adv.
