The pipe line survey from the south fork of the Clackamas river to Oregon City was commenced last Monday according to the Oregon City papers.

The Progress can no longer hold the pennant for being "the only paper in East Clackamas". A paper recently established at Sandy deprives us of that honor. Editor Bennett is real mean. So there!

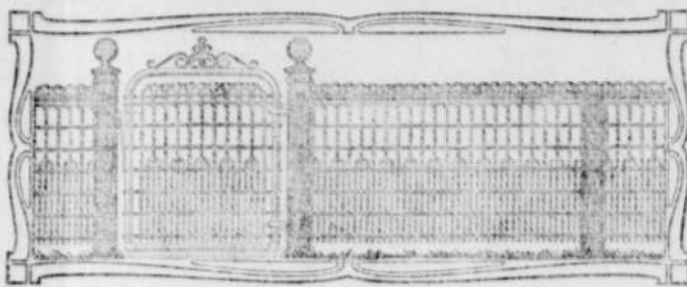

The female pencil pusher on the Progress regrets very much that Miss Spring lingers so long in the lap of Mr. Winter. According to our thinking she is very indiscreet and shows very poor judgement.

Registration books will close at Estacada the 29th and at Oregon City the 30th, so if you have not already availed yourself of the opportunity of registering, you are liable to get left. Only six more days. Of course you can vote, but just think how much trouble for the judges and clerks of election to "swear in" your vote. Get busy, you people who have not registered. The women are responding nobly to the invitation, but there are others.

A clipping from an Albany paper was handed the editor this week which tells of the Brownsville cannery business. This is the third year of the stock company owning the cannery and over \$40,000 was paid out last season by the cannery to the farmers in that section. The territory surrounding Brownsville is not such a wonderful fruit producing section, and yet the market secured by the cannery makes it possible for growers to realize a firm market and a steady price. Fruit growers of Estacada and surrounding country, don't forget the cannery project for Estacada. Boost with a liberal purchase of stock and a good word for the enterprise. This section MUST have a cannery.

The bonding scheme for good roads in Clackamas County might be looked upon more favorable by people of Estacada and vicinity, could the proposed plan for road construction be revised and some of the roads leading to Estacada reap the benefit of the money expended. According to an article upon the subject from Oregon City to one of the Portland dailies of recent date, the proposed roads to be benefited are those in the western part of the county and invariably running into Oregon City. Estacada is left out entirely. When the question is ready to be voted upon, Estacada will "have to be shown" the benefits. "Self preservation is the first law of nature."

Bert H. Finch

The question of bonding the county for good roads is to be voted upon by the people of Clackamas county. Be sure and register so that there will be no trouble for you to cast your vote on the right side.

War news remains about the same today. Vera Cruz is in the hands of American forces. So far eight Americans have been killed and about two hundred Mexicans. A cargo of ammunition for the Mexican Government was seized by the Americans and ordered back to Germany. Excitement runs high and in some places calls for recruits are being made.

Republican Candidate for County Clerk. Proposes a Sound Business Administration. (paid adv)

James F. Nelson

James F. Nelson, republican candidate for the nomination of treasurer of Clackamas County, has been a resident of this county for over 35 years. He has served the county as assessor and while working in that capacity, made the tax rolls, which would assist him greatly in doing the work of the office economically, as the treasurer has to collect the taxes. Being a book-keeper of six years experience in a large merchandise store, he would be capable to handle the books of the office. If nominated and elected he will try to conduct the office in such a manner as will give satisfaction to tax payers of the county. For the past 25 years this office has been given to old soldiers and as Mr. Nelson is an old soldier, this fact would make him eligible to the office. Paid Adv.

Baseball News

About fifteen business men and citizens of Estacada held a meeting last night, and agreed to furnish funds for the expenses of a ball team this season. They elected Bert Byers as manager and gave him authority to organize a first class baseball team. They expect to have some hot old games in the near future.

EAGLE CREEK

Dick Gibson is the delighted possessor of a fine young colt. His brother Henan, is also the possessor of a young colt, of which he is very proud.

Mrs. Bessie Douglass made a trip to Portland the first of last week.

Mrs. Clester is working for Mrs. Howlett.

Carl Douglass was a Barton visitor Sunday.

Mrs. McMillan returned from Portland Sunday, accompanied by a lady friend.

Dick Gibson and Will Douglass took their eggs to the egg-man on Monday.

The regular session of Eagle Creek Grange was held last Saturday with about fifty members present, including a few visitors. The plans for the May picnic were discussed. The leading feature of the program planned is a speech by Governor West. There will be recitations and songs, also music by the Currinsville band, and a dance in the evening at Cogswell's hall. A woman's Work Committee was organized with Mrs. Dick Gibson as chairman; Mrs. Linda Hoffmeister and Miss Ethel Hale as helpers. The Grangers are planning to have their hall painted before the May picnic.

The Eagle Creek comedy was a mud-ducking Dick Gibson got when the horse he was riding stepped on one end of a broken rail, which flew up and hit the horse, causing his heels to fly up and set Dick Gibson in the middle of a stream of water at least two inches deep with fully two feet of soft ooze at the bottom of the stream. But when Dick Gibson was laboring over his trousers next day this incident was pronounced a tragedy.

Dr. Morse also tests eyes and fits glasses. Office over drug store.

The Christian Endeavor was well attended last Sunday. Carl Linn was appointed leader for next Sunday. The subject will be "Our tongues of Christ".

Henry Johnson has been a Portland visitor the last week.

Garfield Dorcas Society

On Thursday April 16, the losing side in the present membership contest, welcomed the society at the home of Mrs. Dunlop. A course luncheon was served in the spacious living room, the table being tastefully decorated in apple blossoms.

Both sides gave a closing stunt, the one in song, the other in verse, clearly setting forth the desire that all party lines be obliterated.

The president, Miss Lynch, spoke a few words of welcome to new members and guests. To the toast "The Ideal Home," Mrs. Whitcomb responded, "The Ideal Neighbor," Mrs. Shearer, "The Ideal Community," Mrs. La Barre.

The next meeting, May 21, will be held at the home of Mrs. Bundy.

ECONOMY is one of the most abused words in the dictionary. It does not mean the mere saving of money, as suggested by low prices. True economy consists in securing for the least money the highest values possible.

Without the value you lose, no matter what you pay, INTERNATIONAL Clothes means TRUE ECONOMY in the best sense of the word.

Try an International Suit this season. Let us take your measure and give you a sample of what REAL TAILORING stands for.
