Wm. Underwood and J. W. Reed went to Portland Sunday and drove back a new car which the former purchased of Mr. Reed. Of course it is a "Ford" and Mr. Underwood can handle the machine with much skill already.

B. F. Ford and wife went to Portland Saturday to attend the funeral of Mrs. A. Cooper, Mrs. Ford's grandmother. Mrs. Cooper with her husband, resided at Estacada a few years ago. Mr. Cooper, being in the furniture business here.

They are planning on making the trip the last of the week.

Will Perry and wife took their little daughter to a hospital in Portland last week, where she will receive medical treatment. The little girl fell some time ago and injured her spine. Since that time she has been wearing a support, which excited the sympathy of everybody. She is a pretty, bright child and seems to bear her affliction very patiently. The Progress hopes that the little one may soon recover.

### M. E. Church News

Preaching services Sunday evening, May 3, at 8 o'clock. All are invited to attend. C. B. Rees.

Mrs. Mannon and Miss Colbert, two W. C. T. U. women of Newburg, Oregon, gave a lecture in the M. E. Church Saturday night, which was well attended. Miss Colbert, a professionalist, gave two excellent violin solos. Next meeting of the W. C. T. U. will be held at the home of Mrs. Rees, May 8, at 3 P. M.

The McCaulley entertainment Thursday evening gave general satisfaction and the Ladies' Aid under whose auspices the entertainment was given, made about \$6.00 after expenses were paid.

### Beers-Githens Wedding

A quiet wedding was solemnized last Wednesday when Miss Hazel Githens became the bride of Henry Beers of Gresham. The ceremony took place at the home of the bride's grandparents, Mr. and Mrs. Wm. Lawson of Oregon City. Rev. T. B. Ford performed the ceremony. Miss Echo Githens, sister of the bride, was bridesmaid and the groom was attended by his brother, Albert Beers.

Mr. and Mrs. Beers are both well known and have many friends throughout the county. They will reside near Gresham.

The Progress joins with their many friends in extending best wishes.

### Civic Improvement Club

The club had a very interesting meeting Saturday afternoon. There was a good attendance and the numerous questions which came before the ladies were discussed with much interest. The committee on May Day entertainment reported that they had a surprise by way of entertainment to all who should attend the party Saturday evening.

The library committee asked for its contribution from the club to pay some bills. The committee is doing good work for the library.

Mrs. Bartlett reported that an electric light had been placed near the Jones livery barn.

The committee for the next dance reported and arrangements are being made to have a dance May 9th as advertised.

The question of renting the piano to Bawker's orchestra of Portland for the summer dances on a contract price, was thoroughly discussed.

Plans for a clean-up day were made, but the date for the same was not decided upon. The disadvantage of not having a city dumping ground makes it hard for people to get rid of rubbish and the club decided to make a tour of inspection Wednesday morning to see if a dumping ground could be found.

The Fourth of July celebration was talked over as well as other important questions concerning the Civic Club.

### Unlawful Fishing

A case of violating the fish laws was tried before Justice Givens yesterday afternoon. C. C. Reiser and Harry Pender of Portland were caught fishing close to the government hatchery at Alspaugh and although warned of their danger of being arrested, gave some back talk and continued their occupation. Game Warden Patton was notified and later arrested the men. They were given the limit fine of \$50.00, the money being furnished by Portland relatives. As they had lost their return tickets to Portland, Mr. Givens bought tickets so that they were enabled to return home on the 9 o'clock car, relying on their honesty to return the price of the tickets.

The pavilion and park grounds have been secured by the Civic Improvement Club for the 4th of July celebration and the biggest celebration ever pulled off at Estacada, will take place Saturday, July 4, 1914. Watch the women.
