Civic Improvement Club

The time at last Saturday afternoon's meeting was principally taken up with the annual election of officers. There was a good attendance and the election passed off very harmoniously. Mrs. Jess Bartlett received the majority of all votes cast on the first ballot, therefore was the choice of the club for their president and leader. The other officers elected were, Vice-President, Mrs. Daisy Robley; Secretary, Mrs. Anna Allen; Treasurer, Mrs. Caroline Simmons. An executive board will be added to the club's officers at the next meeting.

The officers elected for the ensuing year are all good ones and the excellent work begun by the retiring officers, assisted by every club member, will no doubt continue and the Estacada Civic Improvement Club will be a "shining light" in the municipal affairs of our little city. The club has done much for the town and the Progress believes that it will continue to do more and will have the support and co-operation of the entire community. All hail to the women's club.

Basket Social

The Y. P. S. C. E. of the Christian Church, will give a basket social on Friday evening, May 15, at the C. I. C. rooms, proceeds to go towards buying a bell for the church.

City Council Meet

There was a meeting of the city council Tuesday night with Dr. Adix, C. W. Devore, W. S. Pyle, R. G. Marchbank, J. A. Somer and O. E. Smith present.

The new sewer proposition was acted upon and the said sewer will be put in.

The council took action upon the cow-bell petition and an ordinance will be passed at the next meeting prohibiting cows and all domestic animals from wearing bells inside of the city limits.

Other important questions were discussed and then they adjourned.

Surprise Party

At the invitation of Mrs. Coop some of the members of the Estacada High School Alumni and this year's graduating class met at the home of Mr. and Mrs. R. S. Coop Friday evening, to help their eldest son, Zelca, celebrate his twenty-first birthday. The crowd was seated before the unsuspecting host knew of their arrival.

The room was beautifully decorated with snowballs, which with their foliage, made the school colors. Each one present wore his own class color and Zelca was presented with a lovely ribbon badge of green and white, the colors of his class.

The evening was spent in playing games and listening to violin solos by the young host, after which delicious refreshments were served. The birthday cake was a work of art, having the motto of the class of 1912 on top and surrounded with twenty-one candles.

After reminding Zelca in the good old fashioned way that twenty-one winters had passed over his head, the crowd departed wishing him many happy returns of the day and secretly hoping that they might help him celebrate them.

Contributed.

The usual good time is reported by those who attended the C. I. C. dance Saturday night.
