The Estacada Bank building presents a nice appearance by a fresh coat of paint.

"Is it hot enough for you?" was the paramount question asked yesterday and today.

The Woman's Christian Temperance Union will meet at the home of Mrs. Hannah, Friday, May 22.

Mr. and Mrs. W. F. Cary and Mr. and Mrs. W. S. Pyle went to Portland Tuesday to hear Chauncey Alcott.

The P. R. L. & P. Co. has commenced the hour service on Sundays on the Estacada line which gives Estacada many visitors on that day.

A man by the name of Armstrong now has charge of the Adix kennels. Tanner moved into his own house somewhere in that vicinity.

E. W. Bartlett, B. O. Boswell, Dave Eschelmann, Fritz Bartholomew and Wm. Underwood went to Portland Tuesday in Mr. Underwood's car.

J. E. Larson, of the extension department of the Oregon Agricultural College, was an Estacada visitor yesterday and gave this office a pleasant call.

The Websterian and Adelphic literary societies of the high school had a game of ball yesterday afternoon, the score being 10 to 7 in favor of the former.

E. H. Kellogg motored to Oregon City Friday to take some of the Springwater baseball boys over to play the Oregon City high school team. The result was 9 to 7 in favor of Springwater.

Mr. Dillon's horse took a notion that he wanted a little extra exercise last Friday evening and took a run over into Terrace Addition without a driver. He was caught before much damage was done to the buggy.

The next C. I. C. dance, the last of the series, will be given Saturday evening, June 6. The chairman of the committee for this dance is Mrs. Fred Jorg and she has chosen for her assistants, Mesdames A. E. Sparks, L. E. Belfils, Lera Dale and C. M. Sparks.

A number of tennis enthusiasts met one evening last week and re-organized the lawn tennis club. Mrs. W. S. Pyle was elected president, Mrs. Guthrie vice-president and Miss Eva Wash secretary and treasurer. The club will have grounds in the vicinity of the Wash residence.

The basket social at the C. I. C. rooms Friday evening, given by the Y. P. S. C. E. of the Christian church, was well patronized and a good time is reported by those who attended. This association has decided to purchase a bell for the church and will give entertainments frequently for that purpose.

The Civic Improvement Club expects to have an enjoyable time at its next meeting, when the new officers assume the duties of their respective positions. A committee was appointed, with Mrs. A. K. Morton as chairman, to look after the social part of the program and a luncheon will be served at 1 o'clock. All members should be present as a most delightful time is anticipated.

The board of directors of the Aurora State Bank set aside a fund of \$10,000 to be loaned to farmers of that section for the purchase of pure-bred hogs and dairy cattle. The fund is to be loaned at a low rate of interest. The bank realizes that the future of that section depends upon the development of all its resources and upon the production of articles at home, that are now largely shipped in. Besides the bank's efforts to promote the hog industry, it will also furnish acclimated seed corn distributed free to patrons and friends of the bank.

Mr. and Mrs. J. C. Cook of Portland were guests at the S. J. Howe home last Sunday.

Mrs. Ray Eschelmann was called to Portland Monday to see her sister who is very sick.

Misses Kathlene Booth and Stella Weaver of Portland were guests at the B. O. Boswell home Sunday.

Mrs. E. E. Saling returned Saturday evening from a visit with relatives in the eastern part of the state.

Mrs. L. E. Belfils and Mrs. R. H. Currins represented the local Rebekah lodge at McMinnville this week.

E. B. Byers, Chas. Hicbotham and O. E. Smith went to McMinnville, Ore., Tuesday as delegates to I. O. O. F. Grand Lodge from the Estacada lodge.

Mrs. Fred Jorg's father and mother, Mr. and Mrs. T. J. Haschborger of Portland, returned home the latter part of last week after a ten days visit at this place.

Grange Picnic Great Success

Estacada was almost deserted Saturday, everybody going to the Grange picnic at Eagle Creek by train, buggies and automobiles. The weather was perfect and there was a large attendance.

The program in the morning was interesting and well rendered. At noon time one long table was arranged and everybody enjoyed a picnic dinner together. It is said that the table fairly groaned under the weight of good things, louder even than those in Clackamas county in favor of the bonds, groaned when the returns came in that morning.

After dinner Gov. West arrived and gave an address which pleased everybody, after which there was more music, recitations and the May-pole dance by little girls. The Currinsville band furnished music for the picnic and was very liberal in the amount they gave.

In the evening a large crowd attended the dance at Cogswell's hall.

Take it altogether, the annual Grange picnic was a grand success.

Base Ball

Won again as usual. If you didn't see the game you missed something, but we play again Sunday May 24. Pacific Hwd. team. We expect a close game. Come and see a good, clean game of baseball.

E. B. Byers, Mgr.

Mutual Improvement Club Notes

The Mutual Improvement club held the last meeting of the present term on Wednesday, May 13th. The topic for the evening's discussion—The resources of Mexico, proved very interesting. Few realize the great natural wealth of our neighboring republic. Its varied woods, its mineral and oil deposits, its coffee, rubber, and banana plantations are its greatest resources, though sugar cane, cereals, hides, pottery and drawn-work are produced in great quantities.

The following officers were elected to serve for the next term of office:

President, C. W. Devore.
Vice-President, Dr. R. Morse.
Secretary, Mrs. F. B. Guthrie.
Treasurer, Mrs. J. W. Reed.

All members agree that the club has indeed tended toward "mutual improvement," and they are anticipating further pleasure and profit when meetings are resumed next September.

Fourth of July News

The committees appointed for the 4th of July celebration, have commenced to get busy. Everything indicates that the 1914 celebration will be the best Estacada ever had. Last year the Civic club did not ask contributions from the business men, but a soliciting committee has been appointed this year and everybody will have an opportunity of contributing something to help out on the expense of the celebration, if they so desire.

There is to be a street parade in the morning as usual and of course those in charge will try to have it a little better than all previous years.

Several new attractions are being talked of and there will be plenty of amusement all day.

A Lesson in Law

Sunday evening, 8 P. M., at Boner's Hall, I am going to give a lecture on Christian Religion and Roman Law. Everybody come regardless of sex, creed or previous condition of servitude. Till you learn the fundamentals of law there is not anything else worth learning.

(Adv.) J. L. Jones.

Henry Dillon has purchased 19 acres of the Zobrist land a half mile north of town on the Currinsville road and has commenced the erection of an eight room residence. This is a most desirable piece of land and a beautiful building place.

The Progress this week comes to its readers with less illustrations and candidate announcements, and we are glad that the primary is over and there is room for other kinds of reading matter.

Born—To Mrs. Clarence O'Neal of Morrow Station, Friday, May 15th, a girl, weight 4 1/2 pounds. The little baby was premature two months, but is doing nicely and hopes are entertained that she will continue to do so.

Next Sunday evening at the Christian church, W. Givens will deliver the baccalaureate sermon. Some special music is being prepared by the choir of that church, assisted by the Garfield male quartet. An interesting service is expected.

Mr. Walker of Camby, says that he is very much pleased with the way Mr. Hunt ran there. He was high man in Camby 1 and next high in Camby 2, which considering the fact that this is within a few miles of Kraxberger's home, certainly proves that there was some work done for him at that place.

Dr. Morse also tests eyes and fits glasses. Office over drug store.

The first of June two new rural routes will be established from Estacada. One is to go to Dodge and the Star route from Estacada to Springwater is to be changed to a rural route. Mr. Howell's time will expire at that time.

Special attention to spelling in the public schools during the past school year, has already shown good results, by the examination papers which the county superintendent and his assistants have looked over. They report a marked improvement.

The school is about over and no doubt both teachers and pupils are glad and will accept with pleasure their coming vacation after nine months of work and study. Among the school items in this paper may be found the program for the closing school exercises.

What has happened to "Clean up" day? There is a great opportunity for improvement right here on Broadway. Whenever the wind blows, however gentle the zephyr, a cloud of dust rolls up. If we remember rightly this street was cleaned up nicely last year.
