Tobacco Habit Lasily Conquered A Moorish woman regards it as a point of honor to be absolutely ignor

telling how the tobacco or snuff habit m ly and completely banished in three da elightful benest. The author, Edward 158 D. Station E. New York City, w Woods, 159 D, Station E, New York City, will mail his book free on request.

The heaith improves wonderfully after the nicotine poison is out of the system. Calmness, tranquil sleep, clear eyes, normal appetite, good digestion, manly vigor, strong memory and a general gain in efficiency are among the many benefits reported. Get rid of that nervous feeling, no more need of pipe, cigar, cigarette, snuff, or chewing tobacco to pacify morbid desire.

MRS. LYON'S **ACHES AND PAINS**

Have All Gone Since Taking Lydia E. Pinkham's Vegetable Compound.

Terre Hill, Pa .- "Kindly permit me to give you my testimonial in favor of Lydia E. Pinkham's
Vegetable Compound. When I first
began taking it I
was suffering from
female troubles for
some time and had
almost all his

remale troubles for some time and had almost all kinds of aches—pains in lower part of back ing down pains. I could not sleep and had no appetite. Since I have taken Lydia E. Pinkham's Vegetable Com-

pound the aches and pains are all gone and I feel like a new woman. I cannot praise your medicine too highly."—Mrs. AUGUSTUS LYON, Terre Hill, Pa. It is true that nature and a woman's work has produced the grandest remedy for woman's ills that the world has ver known. From the roots and herbs of the field, Lydia E. Pinkham,

forty years ago, gave to womankind a remedy for their peculiar ills which has proved more efficacious than any other combination of drugs ever com pounded, and today Lydia E. Pinkham's Vegetable Compound is recognized from coast to coast as the standard remedy for woman's ills. In the Pinkham Laboratory at Lynn

Mass., are files containing hundreds of thousands of letters from women seek ing health-many of them openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound; and in some cases that it has saved them from surgical operations.
