These Hot Days Should Remind You

That it isn't necessary for your wife to roast over a Hot Cook Stove when one of our OIL COOKERS with Oven, will save heating up the house and do easy and quick cooking or baking on it.

*** **

If you need a Cultivator, Mower, Rake, Guards, Sections or Ledger Plates, we have them. If your old machine needs repairs, we can get them on short notice.

City Council Doin's

At a special meeting of the Council held Monday night, Charles Sparks was elected to fill the vacancy left by Wm. Straight.

The Council have passed several good ordinances. Special attention should be called to the "Cow Bell Ordinance" which will be in effect before another thirty days and from then on the "mellow soothing tingle of the bells on the lowing kine" will be a thing of the past at 5 a. m. when sleeping's good. The "Tinkling Cow Bell" is all right in poetry, but not in Estacada town limits.

The Council are contemplating a "Non Spitting Ordinance" and it will be a good thing, if it is enforced. Everyone knows the danger from miscellaneous expectorating on sidewalks, besides the disgusting feature. An ordinance of this kind must be enforced or not put into effect, for many such ordinances not enforced have a tendency to hurt the respect which people should have for a law.

The three new ordinance posting boards, as now erected on down town corners, are neat and look businesslike. A paid reprint of these ordinances in the Progress would look extra good and reach everybody.

News

The bath tubs enroute from Estacada to Cary's Hot Springs up the Clackamas, have safely passed Three Links and with good winds should reach destination by Thursday. The original sled runners wore out and the replacing of same caused some unexpected delay.

F. D. Hunt, Traffic Manager of the P. R. L. & P. Co., family and Miss Fae E. Ball of Astoria, spent Sunday at the Hotel Estacada.

Miss Lula Tracy has returned from attending the Portland Trades School to remain at home until the beginning of the fall term.

Miss Rachael Reed, who has been attending the State University at Seattle, Wash., returned home Saturday to spend her vacation.

Don't forget that the next big Commercial club meeting Monday night, June 22, 8 p. m. sharp. Has the membership soliciting committee seen you yet?

Noah Heiple attracted a great deal of attention this week with his new touring car and he doesn't believe in keeping any of the seats empty.

The Estacada State Bank don't seem to know when to quit renovating and Monday a handsome big new awning appeared to protect the newly painted window and lettering. A prosperous appearance always brings business.

Mrs. Herbert Mattoon of Viola met with a serious accident last week, having severely cut her thumb by the breaking of the glass in the door of the Viola store. Dr. Adix attended her and the hand is fast getting well.

Roy Morrow made a hurried trip to Portland last Sunday, covering the distance in 1 1/2 hours. A Mr. Gill of Portland was called back from a fishing trip here to reach the bedside of his mother, who was taken seriously ill.

Garden Contest

The school garden contest is closed. While there was less interest taken in this contest this year than last, it was largely due to the attention having been diverted to the home gardens and the garden, like charity, should begin at home. The school gardens were in excellent condition and the judges awarded prizes as follows:

Class A (grades 6-7-8) Elmer Hannah—1st, fountain pen; Ernest Rynning—2nd, ball mitt; Frank Somers—3rd, knife.

Class B (grades 4-5) Jos. Woodle—1st, Yankee drill; Otto Holgard—2nd, fountain pen; George Douglass—3rd, subscription to Poultry Life; Albert Hannah—4th, ball bat.

Estacada Stock Yards

Wednesday afternoon Messrs. Hunt, Kelly, Pumphrey, Fields and Rincke, of the P. R. L. & P. Co., were in Estacada and perfected arrangements with W. F. Cary for the immediate establishment of a stock yards on the spur track in Terrace Addition. This stock yard will be conducted by the Union Meat Co. of Portland, who will keep a regular buyer out here most of the time. This will mean the concentration of all cattle and pork buying and shipping in Estacada and all payments for same will be made here on delivery at the yards. For a time at least this will be the only stock yard between here and Portland along the P. R. L. & P. line.

In accordance with his past public spiritedness, W. F. Cary donated two lots for the stock yards. Mr. Cary deserves a vote of thanks from the entire community.

The establishing of stock yards here is the direct result of the initiative taken by the Estacada State Bank, as they first interested the Union Meat Co. in the project.

A Little Work Needed

Attention has been called to some needed repairs to the sidewalks along the following properties: Block 27, lot 1; block 29, lot 12; block 16, lot 2; block 16, lot 12; block 7, lot 1; block 10, lot 12; block 6 lot 1.

As the July 4th celebration will soon be here and crowds of people, it is hoped all sidewalks will be in good condition by that time.

Last year, during the passing of the 4th of July parade, the marshal was forced to keep the people from congregating on the west incline on Main street, owing to its being a little shaky. This shakiness still continues and a few supports or braces could be placed at small expense and effectually remedy any danger of accident. A moving crowd, such as return from our ball games over this incline, is liable to create too much vibration.

Civic Improvement Club

The Club held its regular meeting last Saturday afternoon in the club rooms with a good attendance.

Among the questions brought before the club was that of having a clean-up day. A committee of three, with Mrs. R. Morse as chairman, was appointed by the chair to attend to the matter and the time will be announced later.

The several 4th of July committees reported that they were getting together frequently and plans are being formulated for a splendid program.

A motion was made by Mrs. Ewing to revoke the plan of committees on dances and other entertainments, taking all bills before the club to be acted upon, and hereafter the committee will pay the bills out of the proceeds of the entertainments and make report to the club accordingly.

There being no further business, the club adjourned to meet June 27.

Get Together Picnic

The C. I. C. "Get Together" picnic held in the Estacada Park, Wednesday, was a success from all standpoints. Over 100 ladies were present, including as guests the ladies of the Springwater Sunshine Club, Garfield Dorcas Society, Currinsville Ladies Aid and Priscilla Club.

One of the famous C. I. C. picnic dinners was served and by that time all were well acquainted.

Among the speakers were Mrs. C. Folsom who spoke on the work of the Parent Teachers Ass'n., Mrs. C. W. Devore on Civic matters, Mrs. A. E. Sparks gave a resume of the C. I. C., Mrs. E. Bates responded with a fine impromptu talk, Miss Dillon spoke on Schools and Mrs. Hughes gave an address on behalf of the Currinsville ladies, followed by Mrs. A. O. Whitcomb and Mrs. H. A. LaBarre in behalf of the Dorcas Society. Mrs. E. W. Bartlett made a first class toastmistress.

It is hoped that this is but the beginning of the "get together" spirit in this community. It has always been the C. I. C. to take the initiative in such matters and the men and their organizations will do well to copy the idea, for Estacada is merely the nucleus of the big growing Estacada country, and we all are neighbors.

BUILD UP ESTACADA!

This Bank is the bank of and for the people of Estacada and vicinity. Our equipment is now modern and our service up to date. We will be pleased to serve you. Patronize your HOME bank and build up your home community. Your account will be appreciated.

The Garfield Band's Strawberry Social of this week, was a big success, realizing about \$15. for the furthering of the plans of that organization.

The constant hauling of lumber through Springwater, from Horner Bros. mill can be accounted for by the new building going on at the Shibley, Jockunsou and other places.
