"WET" LEAGUE IN FIGHT OVER COIN

Only Two "Taxpayers and Wage Earners"

BREWERS PUT UP FUNDS

KNOWING THAT OREGON DRY MEANS BETTER BUSINESS FOR ALL LINES SAVE ONLY SALOONS.

BY ORTON E. GOODWIN, Publicity Department, Committee of One Hundred.

The great campaign to make Oregon "wet" has failed.

The exposure by Dr. Cora Talbot, secretary of the "Taxpayers' and Wage Earners' League," that the organization consisted of two persons, Mrs. Duniway and Dr. Talbot, and was financed by the brewers and distillers to make Oregon "wet," threw the fat into the fire.

The brewers and distillers know that all kinds of business save theirs is better in a dry town.

They know this has been proved by figures and facts from Salem, Oregon City, Roseburg, Albany, Newberg, Ashland, Corvallis, Pendleton and many other towns.

Organization spreads untruths. So they organized the "Taxpayers' and Wage Earners' League" to spread misinformation about Oregon dry.

They know bank deposits in dry towns have increased in number and amount. They know bad debts are almost unknown in all dry towns. They know collections are better. They know arrests from drunkenness are almost unknown. They know every dry town in Oregon is prosperous.

So, they became desperate. "Taxpayers' League is 'Joke.'" Then they organized the "Joke 'Taxpayers' and Wage Earners' League." Dr. Talbot was secretary. She became disgusted when she learned money was being collected by the brewers and distillers by the use of her name, and she resigned.

Then Mrs. Duniway advertised lavishly, announcing that the money the "league" was using was provided by the brewers.

The campaign of misinformation carried on by employees of the league, who are also employees of the breweries and distilleries, is now known all over Oregon.

Brewers Spending Your Money. Every man, woman and child has to spend \$20 a year with the saloons.

If you do not drink, some one else has to pay YOUR share. So, it is YOUR money the Oregon brewers and Eastern distilleries have been using to persuade YOU Oregon wet will do YOU good. It is believed they expect to spend over \$200,000 of YOUR money.

They know Oregon dry will put them out of business and help every other kind of business in the state. Although the breweries and distilleries know Oregon dry is for better business, prosperity and more work, they are fighting it.

No Saloons; Better Business. We have had bad times with the saloons, haven't we? Why not try no saloons? It can't make things worse and is certain to make things better.

The reason is: Money spent on the saloon cannot be spent for groceries. Money spent in the saloons—much of it goes East. Money spent for dry goods and groceries stays in the towns and makes better business.

The members of the Committee of One Hundred are all Oregonians. Most of them are business men. They ask you to vote Oregon dry, because they know, as the brewers also know, that Oregon dry means better business, lower taxes, more work and a return to prosperity.

For the experience of all Oregon dry towns has proved this to be the case.

A big shipment of peach stones in bags, created much inquiry in Estacada last week. The goods were consigned through the Garfield Mercantile Co. to Peterson & Failing, of Garfield, for their nursery stock of prunes. The peach stones are grafted onto the peach tree stalks later.

Fred Bannister and Dee Wright of the Forestry Service, came into Estacada last week, from an extended stay in the mountains. The procession of about 20 pack horses and mules, with a freshly killed deer on the pack, presented a typical Buffalo Bill parade effect.

What People Are Doing

Mrs. E. Dawes, of Portland, daughter of Mrs. Taylor Currinsville, is reported as seriously ill.

Mrs. Linda Hoffmeister, of Eagle Creek, who has been sick, is now well again.

Mrs. Adelaide Miller, of St. Helens, Or., is in Estacada and will remain here for a couple of weeks.

Mrs. John Githens and Mrs. Dick Githens, of Alspaugh, visited Mrs. Henry Beers of Gresham.

Chas. Horger, of Portland, is visiting for a few days at the Klinker home in George.

Mr. and Mrs. Borden, of Oregon City, are now residents of Currinsville, having moved onto the R. A. Butler place, this week.

Mr. and Mrs. Hugh Githens, of Heppner, Or., visited last week with friends and relatives in the vicinity of Alspaugh.

Mrs. Mairs of Salem, mother of R. A. Currin and Mrs. Lester Hale, of Currinsville, visited them last week.

Mrs. Nancy Shankland, of Currinsville, who has been seriously ill, is reported to be slightly improved.

A. M. Kerchem of Redlands is doing some surveying for A. E. Sparks of Estacada on his suburban property.

Mrs. Gifford, of Seattle, has been visiting for a few days at the home of her friend, Mrs. J. A. Randolph, of Viola.

Mr. and Mrs. G. Linn, of Currinsville, are now occupying their new home near Estacada, recently purchased from J. C. O'Connor.

Messrs. Womer, Dockendorf, Day and Underwood of Estacada, left this week for a few days hunting trip. They expect to establish camp near the N. Fork burn.

Mrs. Roy Douglass, of Eagle Creek, wishes to thank her many friends for their kindness in helping her win the "piano contest."

Mrs. J. W. Dowty, of Alspaugh, has been an Estacada visitor many times in the past few weeks, having dental work attended to by Dr. Wells.

Mrs. Harve Mattoon, of Viola, has returned from the Oregon City Hospital and is slowly regaining her strength. Miss Brown of Redlands is attending and helping her.

Erhard Anderson, of Garfield, who is representing the magazines, Rural Spirit, Better Fruit, and Poultry Life, throughout Oregon, has returned home for a short stay.

T. W. Cross, of Gresham, agriculturalist for the railway company, and Mrs. Cross, were Estacada visitors last Saturday. They also attended the Eagle Creek meeting.

Tom Eaden and family, of Viola, spent Saturday evening with their son Arthur at Logan. During their absence, A. Schmalley and family, of Stone, called at the Eaden home, but found the "gone visiting" sign on the door.

A meeting, of all people interested in Hog Raising, will be held Nov. 14th, at Sandy. Among the speakers will be T. W. Cross and Ed. Werlein of the railway company. Possibly they will promise Sandy a stock yards too.

Mr. and Mrs. T. J. Hashberger, of Portland, spent the past two weeks, visiting at the home of their daughter, Mrs. Fred Jorg of Estacada. Her brother, L. L. Hashberger, visited them over Saturday and Sunday.

Piano Contest Ended After about four months of strenuous work on the part of the numerous contestants, B. H. Finch and the Progress, the "piano contest" came to an end last Saturday afternoon. The scores of the seven leading contestants, follow:-

1 Mrs. Roy Douglass 749.876 2 Wilma Kitching 730.143 3 Gladys Hayner 511.512 4 Lera Dale 472.529 5 Grace Denny 204.410 6 Pearl Johnson 119.017 7 Flora Johnson 104.950

Mrs. Roy Douglass was the winner of the piano and the other contestants, received piano certificates of varying values, to be applied on the purchase of instruments.

This contest proved a successful one for the Finch store, and the Progress reaped its share of the profits, by obtaining several hundred first-class subscribers.

The contestants not only worked hard in their respective halves, but they impressed and worked their many relatives and friends. The best of feeling characterized the rivalry and the thanks of B. H. Finch and the editor, are due all of the workers.

WATER-FRONT MEASURES DANGEROUS

General Opinion that Passage Will Destroy Industrial Development of State.

With the absolute certainty that the "Water Front" Constitutional Amendment number 328 and its companion bill number 330 on the ballot, proposed for adoption at the next election, will deprive the State of authority to sell any tide lands or any submerged land on the navigable streams and bays of Oregon, the State is confronted with the prospect that all industrial development requiring access to the water will speedily come to an end. This is the opinion of practically every attorney who has made a careful examination of the proposed amendment and bill.

No additional saw mills or other industrial plants will be built on the navigable streams or tide lands of the state, should the measure pass, as the value of the improvements they must erect outside of low water would be too great to place on leased ground subject to revocation in a short period and cutting off the water front will render the plant above low water valueless and the measure forbids any recompense for such improvements.

It will reduce the value of all Oregon timber now too low as it will make milling very difficult.

Another serious objection to both of these measures, which is urged by a great many people in all sections of the State, is the fact that the school fund which now derives considerable revenue from the sale of tide lands and the foreshore of the navigable waters of the State will be deprived of a very large sum of money that is now badly needed for the maintenance of the public school system of Oregon.

A mighty ground swell of "Vote No" sentiment is reported to be gaining momentum in every part of Oregon. Disgusted with the great mass of indigestible amendments and bills on the ballot, and alarmed for fear that many of them will prove absolutely destructive of the Commercial prosperity of the State, the people seem determined to vote, "NO" on all but a very few measures that are known to possess genuine merit and for which there is a very general demand. That the attempt to put over radical legislation of any kind at the election November 3rd, will fail, is now very generally conceded all over the State.

Preaching Will Continue Rev. Rees of the M. E. Church, met with a serious accident last Monday which resulted in a badly broken right leg. The accident occurred at the Hale farm in Currinsville and was caused by tripping over a hay rack.

His many friends wish to express their sincere sympathy and will do everything possible to lighten his work, during his convalescence. In as much as his vocal chords are not impaired, the congregation will expect to listen to his sermons again, within a short time. The editor once spent a couple of years on crutches and during that time, thoroughly enjoyed the humoring and dainty dishes that came his way, and its an "ill wind that brings the dainty eats."

Bob Morton and Ken Bartlett of the University of Oregon foot ball squad, visited their parents in Estacada last Sunday. The boys came to Portland along with Coach Bezek's warriors, and returned Sunday night.

Dr. Morse also tests eyes and fits glasses. Office over drug store.
