A Wonderful Record

Largest Piano Business in the World, Located on Pacific Coast. A Remarkable Organization with Forty Stores.

Sixteen years ago the first Eilers store was founded. "The New York Musical Courser " is authority for the statement that more than one-half of the pianos now sold on the Pacific Coast are sold through Eilers stores. From one small store the organization has grown to forty, from selling a few hundred pianos in a year to selling many thousands. The ever increasing patronage of the Eilers stores would be impossible without the thorough confidence of the people, gained by progressive, straightforward and liberal treatment of every patron of the house.
