

# A Few Suggestions For Christmas Shoppers

"Don't keep that spark of Love and Affections smothered until your Friends are dead. The smallest gift of Remembrance, to the Living, is worth far more than all the Flowers you can place on the Grave."

We have converted our store into a Holiday Bazaar,  
Where you will find just the article for Christmas giving.

By our liberal selling plan, We have made it possible for our patrons to do all their Holiday shopping, without the usual financial worry. We want you, one and all, to share this Christmas offer.

## Our Holiday Offer:-

Beginning today, you may select any article, or as much as you like, from this entire stock, and with a small deposit and a small payment weekly, or more often if you like, we will hold your selections until convenient for you to take them.

## Study This Carefully:-

It eliminates the Christmas worry and makes it possible for you to buy something "Worth While" for your family and friends.
