

Milk Producer

Molasses-Dried Beet Pulp

Just Beet Pulp and Beet Molasses, Dried

Has all the feeding value of plain dried pulp with the addition of molasses, which is a rich carbohydrate, practically all digestible.

Molasses-Dried Beet Pulp makes a splendid supplement to alfalfa hay or other protein feeds.

Cows eat sweetened foods with a greater relish than any others.

Use about 5 lb. lard pail full to a feed
Soak in water over night
Try 100 pounds for \$1.40

Our 1915 Record Service Innovation

Hearing and Selecting Records at Home

If you have an Edison Phonograph or a Victor or Victrola, or a Columbia or Grafonola, or one of Edison's latest diamond point disc phonographs, you will be glad to hear of our new service by which records may be selected in your own home.

The New Plan is Simply This

For every four records that you agree to buy we will send one dozen free trial. Orders may be placed by telephone or mail. All the latest records as well as the old popular favorites.

Free City Delivery

Out of town deliveries by parcels post, which is prompt and safe. Sufficient postage as follows should be included for each dozen to be sent by post on trial.

- Victor or Columbia records
10 inch 12c per dozen.
- Victor or Columbia records
12 inch 15c per dozen.
- Edison diamond disc records
17c per dozen.
- Edison cylinder records
9c per dozen.
