C. I. C. Masquerade A Hummer

With over fifty masked couples dancing on the Pavilion floor, last Monday night's masquerade dance was an enjoyable affair. Nearly as many spectators enjoyed the fun from the side lines.

With the Portland Harmony Four furnishing the best of music and with a fine midnight supper, served by Mrs. A. K. Morton, the majority of the dancers and many of the spectators remained till the 3 o'clock closing hour.

The costumes were unique, some being especially comical, others picturesque and many exceptionally beautiful. The judges had a disagreeable half hour trying to determine the prize winners, finally deciding on Miss Ellen Erickson of Carrinville, who was gowned as a pink rose, and Fred Bannister of Estacada in his impersonation of a Mexican vacquero, as being the most consistent costumes and Mrs. Frank Ewing of Cazadero, as a typical plump Dutch girl and Paul Morrow, as a heap big injun, as being the most comical.

Mr. Kirchum is one of Logan's most respected and prosperous farmers and the father of a large family of successful children.

The occasion was a reunion of the Kirchum family on the old homestead, where Matthias Kirchum located in the early '50s and where all but two of their seven children were born.
