"One Hundred for Next Year"

The try-out for the track team will be held Friday afternoon.

The Inter class track meet held last Friday afternoon, brought forth several surprises. The Sophomores ran away with the meet with a total score of 82½ points, second place was given to the Juniors with 39 points, third place was taken by the Freshmen with 37½ points, while the Seniors obtained the "cellar" championships with 26 points to their credit. Clyde Denney was high man of the meet with an individual score of 20¼ points, there were several others, who were around the sixteen mark. The javelin has been added to track this year and judging from the way "Bill" Bartolmy threw it last Friday, E. H. S. will hold their own in this department. The first track meet comes about the middle of April.

The Student Body is planning an entertainment to be given in the near future, at the school house, for the purpose of paying some back bills. Watch for further particulars.

The Adelpic Literary Society will present an Easter program Friday afternoon.

Miss Jones, the smallest member of our faculty, but, nevertheless, the one that is greatest missed by some of us (for more reasons than one, too) was on the sick list the first of the week, but we hope that by the time these "penclings" reach the public eye, she will be occupying her English chair as of old.

This year's Senior class has chosen Dr. T. B. Ford of Oregon City to deliver the Commencement address on the evening of May 27th. It is expected that the message Dr. Ford will bring us will be even better than the two former ones.

On the evening of the twenty-fourth, the Junior class pleasantly surprised Miss Jones at the Kuhrasch home, and presented her with a silver vanity case in appreciation of the service rendered in coaching the Junior play. The evening was spent in playing cards.

Meeting Date Set

The Oregon Social Hygiene Society have arranged for their meeting to take place at the Family Theatre in Estacada, Friday evening, April 9th, and among the speakers will be A. F. Flagel, the well known Portland attorney and executive member of the society. A full program of the meetings will appear in next week's issue.

Deer Slayer Convicted

Through the efforts of local deputy game wardens, B. S. Patton and A. G. Ames, John Auld of Portland, was convicted last Tuesday afternoon, in Justice Devore's court of having killed a doe deer and was sentenced to jail in default of the payment of a minimum \$25. fine.

Auld with a companion, who escaped the wardens, had been living in a cabin on Roaring River hill for the winter, subsisting to a large extent on the game nearby.

The Progress wishes to thank the correspondents for the volume of news items, which were sent in this week. In as much as this increase of news was unlooked for, other matter had already been set in type before the correspondents' items arrived and consequently some items had to be left out of this week's issue and all had to be condensed to allow of getting them into the space reserved. News matter should reach here not later than Tuesday night.

The Misses Edith Anderson and Nellie Bonney of the Estacada High School, where they are talking the Teachers' Preparatory course, visited the Viola school last week, to study the teaching methods of their friend, Miss Myrtle Woodle.

Basket Social & Dance

Friday evening, April 9th at the Garfield Country Club, there will be held a basket social and dance. The entertainment begins at 8:30 o'clock with the dance following. Admission will be 50c for gentlemen, and lunch will be served by the club. Everyone is invited.

Church Election

The following officers were elected in the Eagle Creek church last Sunday: J. M. Boyce, Matt Glover, and Mr. Masson, Elders; Edw. Still, Gerald Wilcox and Chester Chambers, Trustees; and Mesdames Thomas, Masson and Eli Sutter, Deaconesses.

Springwater Easter Service

Space in this week's issue will not permit of an entire reproduction of the Easter program, which will be rendered at the Springwater church. As usual, it will comprise an exceptionally fine musical program, including choruses, under direction of Mr. David Horner and instrumental numbers, and a chorus accompaniment of seven stringed instruments and a piano. The Rev. Aue will preach two sermons, one for the children and one for the adults. Everyone is invited to be present and come early.

Mrs. L. Ashle of Portland is visiting at the home of her friend, Mrs. J. Randolph of Viola.

Mrs. Wm. H. Mattoon of Estacada has returned to her Viola home.

Wm. Hicinbotham and family of Viola spent a couple of days visiting at the home of Chas. Hicinbotham at River Mill.
