

HERE'S HOPING THAT YOU'LL WIN THE RACE.

I'LL LEAD AT THE FINISH JUDGE WITH THE REAL TOBACCO CHEW

THE CANOEIST ASSURES THE GOOD JUDGE.

MEN, you chew tobacco for the satisfaction and comfort you get from it. "Right-Cut," the Real Tobacco Chew does satisfy. Gives you the taste, the substance of rich, sappy, mellow tobacco. Seasoned and sweetened just enough.

That's why "Right-Cut" users tell others about it. You'll like it better than the old kind.

Take a very small chew—less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is *The Real Tobacco Chew*. That's why it costs less in the end.

It is a ready chew, cut fine and short shred so that you won't have to grind on it with your teeth. Grinding on ordinary candied tobacco makes you spit too much.

The taste of pure, rich tobacco does not need to be covered up with molasses and licorice. Notice how the salt brings out the rich tobacco taste in "Right-Cut."

One small chew takes the place of two big chews of the old kind.

The Ford is lighter than any other car of its size and power. Light weight means economy. Economy in gasoline consumption. Economy in tire expense. Economy in repair bills—less than two cents a mile for operation and upkeep.

Yet with all its light weight the Ford is the strongest, sturdiest car built. It is the longest lasting car. Vanadium steel is responsible for that. "Anti-fatigue" steel, scientists call it—strongest, toughest steel in auto construction.

Buyers will share in profits if we sell at retail 300,000 Ford cars between Aug. 1914 and Aug. 1915.

Ea tern Clackamas Pioneer Dies

Mrs. Marie Meinke of Barton passed away at the home of her daughter, Mrs. H. F. Gibson, last Friday, April 2nd, after a month's illness.

Mrs. Meinke was in her 74th year and is survived by a daughter, Mrs. H. F. Gibson of Barton, and a sister, Mrs. Hans Johnson of George, her husband having died about eight years ago.

The funeral services were held last Monday at the George Church with interment in the nearby cemetery.

Mrs. Meinke was born in Germany and when 17 years old, came to this country, crossed the plains with her parents and located in California, coming from there to Oregon in the early days. For about 30 years, Mrs. Meinke lived at George, but for the past 8 years had resided with her daughter in Barton.

The many friends of the family express their sincere sympathy in this bereavement.

Former Springwater Boy Married

The many friends of Howard Smith, formerly of Springwater, were pleased to hear of his marriage, at Sherwood, Or., on April 5th, to Miss Myrtle Hauke of Sherwood.

The ceremony, solemnized in the presence of the family only, took place at the home of the bride's parents, Mr. and Mrs. Gus Hanke. Miss Mary Hanke, a sister of the bride, and Roy Smith of Estacada, a brother of the groom, attended the couple.

The bride wore a beautiful gown of white crepe de chine and carried a shower bouquet of white carnations and rose buds.

Mr. and Mrs. Smith are now visiting among friends and relatives in Springwater, and upon their return, will make their home in Sherwood where he is employed.

His many friends in Estacada and Springwater wish him much future happiness.
