Deputy Game Warden Returns

Ben S. Patton of Estacada returned last Saturday evening from a five weeks trip through the east and south.

Mr. Patton was called to Cabool, Mo. about five weeks ago, owing to the sudden death of his aged mother, which occurred at the home of his brother, C. P. Patton. The mother's remains were accompanied by the sons to Sinks Grove, Virginia where the funeral services and interment took place from the family home.

Mr. Patton returned via the Mexican border and the California Fairs and reports that Oregon still looks the best from all standpoints.

Tom, The Trapper

Tom Morton of Estacada, assistant superintendent of the River Mill Hatchery, now in charge of the salmon racks and ponds on Eagle Creek, has extended his range of work so that it now includes the catching of fur bearing animals, as well as salmon.

One night last week, Tom landed a skunk in the middle of the night, in a trap set for a wood rat. Inasmuch as it all happened inside of his tent, he is now offering for sale cheap; one mattress, one pillow, one pair pajamas and other supplies. Skunk, trap and a tarpaulin were last seen floating down stream, with Tom sleeping under the trees.

Road Antagonists Visit Town

Among the Estacada visitors of last Saturday, were County Commissioner Knight of Canby, C. W. Risley and Ed Olds of Forest Grove. Olds and Risley were supposed to be at sword points, judging from the articles which have appeared from time to time about the injunctions and road troubles at the county seat, but if they ever were on other than friendly terms, no sign of it was evident on their visit here, but they are sure good advertisers.

Parent Teacher's Association Formed

A goodly number of interested parents, gathered at the Estacada school on last Thursday afternoon, May 13th to listen to a talk on parent-teacher associations given by George Rebec of the University of Oregon.

Dr. Rebec gave an interesting survey of the changes which have taken place in education and in the conditions of life which young people must be trained to face, showing that parents and teachers need to work together for the best interests of the child.

At the close of the talk it was decided to organize a parent-teacher association in Estacada and the following officers were elected: Mrs. J. W. Reed, president; Mrs. C. W. Devore, vice president; Mrs. Kuhrasch, treasurer; Miss Eva Wash, secretary.

Membership is open to all who are interested in the children and it is hoped that every parent will realize the possibilities of such an association.

Meetings are to be held once a month at the school, the next date being June 3rd.

Firemen To Celebrate 4th On 5th

Announcement is made by Fire Chief Fred Jorg of the Estacada Volunteer Firemen that the July 4th celebration, which will be held in Estacada Park, under the auspices of that organization, will occur Monday, July 5th, instead of Saturday, the 3rd, as formerly announced.

Inasmuch as Monday is the legal holiday and the program scheduled is a monstrous one, it was decided best to celebrate on the same day as other similar celebrations throughout the country.

The full program, with its many surprises and attractions will appear in an early issue of this paper.

Owing to the Baccalaureate sermon at the Methodist church next Sunday evening, there will be no evening service at the Estacada Christian church.

The four Bittner children, who for some time past have lived with their grandparents, John Park and wife of Elwood, are now living with their mother, Mrs. Lake of Portland.

Mrs. Edith Cadanau and two daughters of Astoria, Or. visited a week at the home of her parents, Mr. and Mrs. M. T. Freeman of Elwood, and on their return, visited her sister Hazel at Cazadero.
