Estacada Wins Twice

The Estacada base ball team won their Sunday and Monday games before an enthusiastic crowd of rooters. The Sunday game was replete with batting and ended with Estacada 10 and the P. R. L. & P. team 8.

Monday's celebration game, against the fast Logan team, while a walk-over for the locals, was a good game to watch and as the visitors had a good bunch of rooters on the side lines, plenty of excitement was created. Estacada won the game 8 to 1.

The line ups were:

Leave For Mountains

Among the Estacada men and boys who have left for the mountains to work for the forestry department are Art Perry and Chas. Frazier who left last Monday. Frazier will be stationed on Mt. Lowe, which is an important but lonely lookout station, about 15 miles back from the Clackamas.

Forester Wallace took with him this week, Warren Barr, Earl Wagner and Bob Morton, while chief forester, Hugh Mendenhall, leaves the latter part of the week with Tom Morton and Cecil Schock.
