#### Estacada To Coast Trip Alluring

With the advent of the auto touring craze in Estacada, many of the machine owners are constantly looking for new roads to conquer and new sights to see.

One of the finest of trips comprises the run from Estacada to the Tillamook beaches, comprising about 155 miles, via Newberg, McMinnville, and the Grand Round reservation, through the Coast Range to Tillamook.

This round trip was made last week by W. A. Jones in two days, having taken H. H. Tracy of Tracy & Givens to Cloverdale.

Wm. Underwood and the editor returned Monday night from a trip to Bar View, where Mrs. Standish and children were left to spend a vacation. The party left Estacada Sunday morning at 7:30 arriving at Bar View twelve hours later, the car making the return trip in ten and one half hours.

A couple of Estacada parties made the trip to Government Camp last Saturday and Sunday, the O. E. Smith party having gone to the Camp and Mr. and Mrs. I. D. Wright spent the night at Arrawana, below the Barlow Toll Gate.

#### Realty Activities In Springwater

Several new families are moving into Springwater this month, among them being the J. O. Williams family, on the property formerly belonging to Dr. Adix of Estacada.

It is reported that the T. H. Hayner farm in Springwater has been sold and that A. D. Schmidt has also sold part of his land at the top of the hill.

#### Road Signs To Be Placed

With the exception of one or two autoists, no call has been received at the Progress or Estacada Lumber & Produce Co.'s for more road guide signs.

The road leading towards Dodge and Mollalla has been cared for and also the road on the east side of the river from Estacada to Boring.

No signs have been placed along the road to Portland through Springwater, Logan, etc., nor along the Section Line or Powell Valley roads.

Several signs which were placed at important places have been torn down, including one or two on the Springwater hill road.

A reward will be paid by the Estacada Business Men's Development League for any information which will lead to the conviction of parties destroying these guides.

#### Birthday Party

Little Wilma Duncan, daughter of Mr. and Mrs. C. A. Duncan, of Garfield, as hostess, gave a party to her little friends, Friday afternoon, Aug. 6th, it being her 9th birthday.

After refreshments were served the little girls departed for their homes, wishing Wilma many more happy birthdays.

#### Garfield Community Exhibit

The Garfield Producers' Association are considering handling the Garfield community exhibit at the coming East Clackamas County Fair. If this organization of hustlers decides to back this exhibit, it will mean strong rivalry for the prize.

#### Round Tablers Picnic

The Garfield Round Table held their annual picnic last Sunday on Eagle Creek at Miller's Bridge. About fifteen members were present and enjoyed the usual fine picnic lunch, disported in the nearby creek and returned home via Lower Garfield, where they stopped at the Botkin home and severely punished a couple of gallons of ice cream.

Part of the members, not being content to spend one day on the picnic, spent Saturday night camping on the creek, preparatory to getting an early start.
