

THE BIG GAME HUNTER PROVES THAT HE KNOWS THE REAL TOBACCO CHEW.

**A**LL around you, men are talking about it. You, yourself, are probably telling your friends about *the Real Tobacco Chew*.

No user wants to see his friends go without it because it gives a man real tobacco satisfaction and comfort.

A little chew of pure, rich, mellow tobacco—seasoned and sweetened just enough—cuts out so much of the grinding and spitting.

**THE REAL TOBACCO CHEW IS NOW CUT TWO WAYS!!**  
W-B CUT IS LONG SHRED. RIGHT-CUT IS SHORT SHRED.

Take less than one-quarter the old size chew. It will be more satisfying than a mouthful of ordinary tobacco. Just take a nibble of it until you find the strength chew that suits you, then see how easily and evenly the real tobacco taste comes, how it satisfies, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is *The Real Tobacco Chew*. That's why it costs less in the end.

The taste of pure, rich tobacco does not need to be covered up. An excess of licorice and sweetening makes you spit too much.

One small chew takes the place of two big chews of the old kind.

(Notice how the salt brings out the rich tobacco taste.)

## The Best

Is the cheapest in the long run

## Dodge Bros Automobiles

have the best of materials, workmanship, and comfort. You start everything—the engine, lights and car—from the seat. A starter that starts, lights that light and only a slight finger press does it. They climb any hill and go up to 60 miles. The DODGE BROS. have millions back of them and are the oldest automobile part mfgs. in the U. S. The DODGE has been tried out under all severe tests for two years before being put on the market. REMEMBER that TIMKEN BEARINGS are on the best cars made and the Dodge has them throughout.

### Complaints Registered

The Progress office is in receipt of many complaints against various things, but the average complainant does not care to be quoted in the matter, nor will they allow their names to be printed in connection with same, so it is up to the editor to assume the responsibility.

Several parties have complained about a black cow of vicious tendencies, which it is alleged has chased and threatened to hook children. If this complaint is justifiable, the cow should at least be dehorned, and if that does not help, the authorities should impound the animal.

There is also a well in the lot on the corner of 2nd and Currin streets, which while having a coping of worn boards, is open at the top and is a constant temptation to the neighboring children, who are playing around it and dropping stones into the water. This well should be tightly closed, especially as the property is untenanted.

### Farewell Party

About thirty friends and neighbors, headed by Mrs. C. W. Seymour, tendered a farewell party last Friday afternoon in honor of Grandma Barr, who left for West Virginia with her daughter last Monday. The party was held at the J. V. Barr home, where dainty refreshments and a pleasant afternoon were enjoyed.

### Celebrate Anniversary

A combination birthday and wedding anniversary was celebrated Wednesday evening at the Kilgore home in Springwater.

Tuesday, August 16th, was the 72nd birthday of Col. J. C. Kilgore and as the following day was the 33rd wedding anniversary of Mr. and Mrs. Kilgore, about twenty friends and relatives helped celebrate the occasion, with feasting, music and cards.

While Mr. Kilgore is probably 72 years old, he certainly does not look or act it and his many friends hope that he will maintain his present youthful appearance while celebrating many repetitions of the day.

Mrs. Geo. Reynolds and daughter, Miss Georgia, were guests of Mrs. S. F. Howlett of Eagle Creek last week. Mrs. Reynolds is Mrs. Howlett's sister, formerly of Oregon City and Portland, now a resident of Harrison, Idaho.
