

Formal Display of Fall Coats

Our Shipment of LADIES COATS is here and will be DISPLAYED

SATURDAY

CLASSIC COATS

There is more than style in Classic Coats—there is tailoring that **holds** the style in the coat—that makes the coat **wear**—that makes it give satisfaction every day you wear it.

Come to the store—get into a Classic Coat and see for yourself just how Classic style suits your figure—just what we mean by Classic tailoring—and how well you can afford to pay the fair Classic price

Come and try on a Classic coat—it's no trouble to us—we're glad to have you try it on—don't mind if you're not ready to buy.

Come and shop—it's the only way to appreciate fully all the style, all the value of Classic coats.

"YOUR SATISFACTION IS OUR SUCCESS"

Pick Berries and Fight Bears

A large number of people from Estacada and surrounding country are now in the huckleberry patches on Wild Cat and Squaw Mts. Already some of the early pickers have returned with an abundance of berries, which they report to be plentiful, but the patches are spotted, necessitating more walking than usual.

One unlucky picker returned to camp to find all eatable provisions gone, including a five gallon can of berries, as a bear had wandered into camp during their absence.

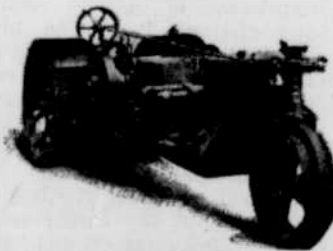

Dr. Geo Dale of Estacada, last week opened up a dental office at Wallowa, Or. and his many friends wish him success in his new location.

Poland Chinas Selected

C. E. Lucke announces that the three boars to be used as awards at the Estacada and George fairs, donated by the P. R. L. & P. Co. and the Estacada Stock Yards, will be of Poland China breed.

These boars are pedigreed, being sired by the 1914 Grand Champion of the State Fair. The pedigree will be issued as soon as the awards are made, as the papers must be registered in the name of the winner.

These hogs will arrive in Estacada, Saturday the 4th. The Progress wishes to ask if someone from George will volunteer to call for and deliver their hog to the proper parties.
